Dear Parents ,

Greetings!

The month of November kept our students busy with Annual Day practices and classroom activities. We eagerly await the Annual Day. The practice sessions made students learn a lot of things, they learnt about hard work, team work and unity. The students displayed that they have creativity in abundance and they would rock the stage. The students went for an educational trip to Kegg’s Farm where they got an opportunity to learn about the natural habitat of farm animals. Also, a colouring competition was organised to enhance colouring skills of the students. On the academic front, the students enjoyed the lesson 'The Five Little Stars' and 'The Swing' in English. The topic of Numbers (21-50) and Length kept the students intrigued with numbers. Lesson 'Food we eat' and 'Clothes we wear' were taken up in EVS and 'O' and 'AU' ki matra was taught in Hindi during the month of November. We look forward to the same enthusiasm and excitement in the coming month.

Dear Parents,

Greetings and good wishes!

The month of November was exciting and full of hardwork as Annual Day practice were happening in full swing. We believe that every child has an ocean of inner strengths. To develop these strengths, proper environment, guidance, and encouragement should be provided as required. Students have always fantasized about colors. Thus a coloring competition was organized, where in students brought their colorful imaginations to life. It helped them in exploring new ideas, creativity as well as a sense of colors. In English, they learnt countable and uncountable nouns through an activity. Students enjoyed classifying items and putting them under correct headings. In E.V.S, an activity on the topic ‘types of animals’ was done. Students participated enthusiastically and pasted pictures of different animals under different categories i.e. land, air and water. Value of the month “Hardwork” was discussed in class many times. The students enjoyed watching and listening to stories on the same. Looking forward to growing both scholastically and co-scholastically in December.

Dear Parents,

Greetings!

The month of November was full of excitement as it brought new challenges and experiences for our children. Children went on an adventurous trip to the Lohagarh Farms, where they thoroughly enjoyed themselves in a village setup. They learnt the importance of teamwork as they got engaged in different activities with their peers. They brought along a lot of memories which they'll cherish life long. In academics, they learnt many new concepts. In English they learnt the usage of subject-verb agreement. In Mathematics students learnt to calculate money. In Science children played the roles of facilitators to their peers and educated them about different birds and their body parts. In Social Science children learnt about the Solar System and did an activity called 'Naming and sequencing the Planets'. In Hindi usage of proverbs was explained to them. The Month ends on a high note as our children are extremely excited to perform for their first Annual Day. We look forward to your presence for the same.

Dear Parents,

Greetings!

December, the last month of the year is a time of recalling and cherishing the year’s good memories. The students of Grade IV went for an educational trip to Lohagarh farms, the place with an ethnic village setup, to expose children to natural beauty and serenity. A village set up with lots of fun activities like Archery, Shooting, Tug of War, Pottery, Camel Ride, Bullock Ride, Tractor Ride, and much more which was exciting. Annual Day practices are also going on in full swing. In Science, students made models of simple machines using waste materials and spoke few lines on them. The students also participated enthusiastically in a role-play on the “Stories of Tenali Rama” activity. Hoping for a joyous and exciting December month.

Dear Parents,

Greetings!

Welcome to the month of December. In the month of November, students of Grade VI undertook various activities on the value of hard work. Children went for an exciting educational trip to Lohagarh Farms which was full of adventure and fun. The day proved to be fun filled with a lot of happy memories. In English, children learnt about the famous scientist Stephen Hawking. They also learnt tenses. In Math, children learnt how to arrange a given data in a tabular form with the help of tally marks and represent it through a pictograph and bar graph. In Hindi they learnt about the differently-abled people in the lesson “Viklang baccho ke geet”. In Social Science children learnt about the latitudes and longitudes of India. In Science they learnt about motion and measurements. Annual Day practice was on in full swing and the children put in their best to get perfection in their performance. We are looking forward to your eager participation for the Annual Day.

Dear Parents,

The month of December ushers in the season of winter and along with it marks the end of the year. November definitely brought smiles to the children’s faces as they spent the day at Lohagarh Farms- it was a day of fun and frolic and the word ‘tiredness’ didn’t exist in their dictionary. In continuation with value education, the students did a group activity to understand the importance of Hard work and realized that this is the one of the most important values to achieve success. In the English class, the chapter was discussed and the children presented the story through Jigsaw Puzzle Method, where each group presented a part of the story and then quizzed the other children on the facts explained. This activity not only helped improving their presentation skills but more importantly, helped them to understand the lesson in detail. The activity was thoroughly enjoyed by all and everyone participated enthusiastically. Annual Day practice was on in full swing and the children put in their best to get perfection in their performance. We are looking forward to your eager participation for the Annual Day.

I can now count and write upto ninety(90). Now a days I am also busy with building my confidence and improving my dancing skills so that I don’t have any fear of stage nor of dancing in front of you all. So let’s meet on Annual Day and you can see me performing in tune with confidence and a beautiful smile.

### **RAIN ON THE GREEN GRASS**

**Rain on the green grass.  
Rain on the tree,  
Rain on the housetop,  
But not on me.**
