“An investment in knowledge pays the best interest.”

Dear Parents ,

Greetings!

The month of December was a busy month with many events that kept everyone on their toes. Students of Grade I participated wholeheartedly in Annual Day function and captured everyone’s attention with their wonderful dance performance. Students participated in various activities where they learnt concepts like weight and capacity, place value of tens and ones and addition in fun and interesting ways. The value of compassion was discussed in depth which was visible in the efforts shown during the month. The students also participated in Swatchh Survekshan 2020 activity where they brought used plastic bottles from home to create awareness about Plastic Ban and to be part of the longest chain of plastic bottles which is set to enter the India Book of Records. They also participated in the Sports Day event where our young athletes competed in different races with full energy and enthusiasm. On the academic front, the students enjoyed the lesson 'Look Around' and 'The Little Plant' in English. The topic of 'Weight and Capacity' and 'Time' kept the students intrigued with numbers. Lesson 'Air' and 'Weathers and Seasons' were taken up in EVS and Milkar Khelen Khel was taught in Hindi during the month of December. We look forward to the same enthusiasm and excitement in the coming month. We wish you a very Happy and Prosperous New Year.

“Have big dreams. You will grow into them”.

Dear Parents,

Greetings and good wishes!

December was a fun filled month with activities galore which kickstarted with the Annual Day celebrations where the students gave a stupendous performance which got them a standing ovation. The students of Grade II danced beautifully with grace and confidence that the spectators were left spellbound. The students also participated in Swatchh Survekshan 2020 activity where they brought used plastic bottles from home to create awareness about Plastic Ban and to be part of the longest chain of plastic bottles which is set to enter the India Book of Records. Sports help students in character building and maintain energy and strength; it also improves the mental sharpness and stamina. Education is incomplete without sports. To bring out the sportsman spirit in students, a Sports Day was organized for them. Students participated in various races and secured positions. Math-a-magic was organized to make the students understand the concepts better. We took the students to math lab where students learnt to represent place values using blocks of different colors. They also did addition, subtraction and multiplication with blocks. “Flip some bottle cap activities” was done through which students learnt multiplication. To understand how to find directions, a “Compass activity” was organized. Students enjoyed finding directions using a compass. Looking forward to an engaging January. We wish you a very Happy and Prosperous New Year!!

**"If Winter comes, can Spring be far behind?"
--Percy Bysshe Shelley**

Dear Parents,

The month of December ushered in the cold but the enthusiasm levels were high with children participating in the Annual Function. Being the first Annual Function of the school, there was eagerness to put up a brilliant show in front of the guests and parents. Children had an opportunity this month to participate in extra- curricular and sports competitions. Aaqib Ali participated in International Taekwondo Federation Championship and secured Bronze Medal. Two of our children Harshita Singh and Soham Rana participated in a Robotic Competition- Robo Fest at Euro International School. They made an interesting non-working robot and enjoyed the experience of competing with other schools. The value of the month was Compassion and children engaged in a discussion on why it is important to spread kindness around one's self. They also talked about the power of words and how it can hurt a person. To further develop on this discussion, they wrote out beautiful adjectives for their classmates so as to make them feel good. They were mindful of the fact that everyone received at least five positive adjectives. To enhance their usage of English, the children learnt about Idioms and as an activity they had to use eight randomly selected idioms in a story. The story was created on the spot and was a success as both teams had excellent team work and the idioms were well used. The children also participated in Swachh Survekshan- Say No to Plastic Drive and took a pledge to help reduce plastic on Earth. The month also played host to an in- house Sports Day where the cold did not play a deterrent and every child participated with a healthy competitive spirit. The month ended on an equally high energy note with the Special Assembly on Christmas and everyone participated to spread the spirit of cheer and joy. We wish you a very Happy and Prosperous New Year!!
