**MONTHLY PLANNER FOR NOVEMBER**  
**Grade I (2019-20)**

**“Education is the key to unlock the golden door of freedom.”**

Dear Parents ,

Greetings!

October month was full of happiness and festivity as we celebrated two important festivals of India – Diwali and Dussehra. A number of competitions were organised for Grade I to hone the hidden talent and skills of the students. A ‘Dance competition’ was organised where our vivacious dancers set the stage on fire with their energetic performance. This was followed by a ‘Fancy Dress Competition’ which had the theme of ‘Community Helpers’. This competition not only blended learning with fun, but also motivated and encouraged students to be confident enough to speak in front of an audience. ‘English handwriting and Digital painting’ were among other competitions in which students participated enthusiastically. To usher in Diwali, the students painted Diyas which they took home with a promise to go green this Diwali. The students enjoyed the lesson 'First Day at School' in English. The topic of Addition and Subtraction kept the students intrigued with Numbers. Lesson 'People who help us' was taken up in EVS and lesson 'Jainu ka Jaadu' was taught in Hindi during the month of October. We look forward to the same enthusiasm and excitement in the coming month.

## 1. Syllabus

ENGLISH	HINDI	MATHS	EVS	COMPUTER
Lesson 6 The swing Grammar: Pronoun Lesson 7 Look Around	पाठ-8 इंद्रधनुष के रंग(अं की मात्रा)	Chapter7 - Numbers (21-50) Chapter 8 - Length	Lesson 7 – Clothes We Wear Lesson 8 – Weathers and Seasons	MS-Paint  Introduction to WordPad

**Study hard. Do good and the good life will follow.**

Dear Parents,

Greetings and good wishes!

The month of October was full of celebrations and fun-filled activities. Scholastic and co-scholastic activities have an equal importance in the holistic development of a child. Keeping this in view, a Fancy Dress and a Dance Competition was organized. These competitions proved to be a great learning experience for the students and gave them a platform to explore their hidden talents. To encourage the students to portray their ideas digitally, a Digital Painting competition on the theme ‘Diwali’ was organized. Students have painted on paper many a times but the concept of depicting their ideas digitally was very enriching for them. In Mathematics they learnt multiplication through a calendar activity. Through this activity, the concept of multiplication as a repeated addition was taught to students. Students enjoyed encircling the numbers in the calendar. In E.V.S a video was shown on the topic “Our Green Friends”. Students participated enthusiastically in classroom discussions and learnt different types and parts of plants. Value of the month “Forgiveness” was continued. The students enjoyed doing the activity and listening to stories on the same. Looking forward to another month of growing both scholastically and co-scholastically in November.

Learning is the only thing the mind never exhausts, never fears, and never regrets.

Dear Parents,

Greetings!

The month of October brought the essence of festivity as our children enjoyed and learnt about our varied culture and heritage. Various activities were planned throughout the month to engage the young minds. It began with them playing hosts on the auspicious occasion of the birth anniversary of Mahatma Gandhi the Father of the nation, as they presented a special assembly on Gandhi Jayanti and mesmerised everybody with their wonderful performance. Keeping the festive spirit alive, a Culture Gallery Exhibition was organised where the students familiarised themselves with the tradition of different states of India. On the academic front, the students were busy with picture description in English. In Social Science, they learnt the difference between early and modern means of communication. In Mathematics, the students learnt the art of problem solving through division and the concept was further reinforced with an activity. In Hindi, they learnt the usage of proverbs. The month was full of learning and enjoyment both. We look forward to an even more exciting November.

Dear Parents,

Greetings!

Welcome to a new and wonderful month of November, which marks the beginning of winters. October was full of celebrations and festive spirit. The students of Grade IV got the experience of hosting a special assembly to celebrate Dusshera where they performed a musical skit. Their performance enthralled the audience. The students celebrated the Social Science Day for which they made models on natural resources and spoke about them. The pupils also participated enthusiastically in Culture Gallery Exhibition, where they provided information about different states of India. On the academic front, the students learnt types of forces through a game of Tug of war. They did a poem recitation activity during the English class. In Maths, they learnt Fractions through an activity in the Maths Lab. These activities have taught them team work and empathy. Looking forward to the same level of excitement in the month of November.

Dear Parents,

Greetings and good wishes!

In this month of celebrations, students participated with vigour in presenting the models by celebrating Social Science Day. They explained various phases of the moon, solar eclipse and lunar eclipse through 3D models. In science, they did demonstration activity on the properties of air. In English, the topic of Adverbs was introduced through an activity where the students had to make a list of words to answer questions of 'how, where, when and how often'. They exhibited enthusiasm in spreading the message of “Unity in Diversity” by showcasing colours of Indian culture in terms of food, language, dress and dance forms. The month ended with Diwali celebration in which the class organised a special assembly on “Say No To Crackers”, urging others to go green this diwali. Looking forward to an equally exciting November.

Dear Parents,

Greetings!

We welcome to the month of November. October, marks the beginning of celebrations. The students were involved in various activities in school. In English they learnt about the preface of the Constitution “Preamble”. The concept was further reinforced with an oration activity. In Math the children learnt how to make different 2-D shapes on Geo board and the concept of decimals was introduced. In Hindi they learnt about differently-abled people in the lesson “Nakchadi Rajkumari”. In Science they learnt about different types of joints in a human body. They also participated in an Intra Class Debate Competition that gave them an opportunity to showcase their thoughts on the given topic- Laptops instead of notebooks and textbooks. On Social Science Day, they gave a presentation on major land forms of Earth. On a different note, October being the month of Caring and Sharing, the students spent time with our guests from Deep Ashram and also played host to another set of visitors who were the students from the local Government School. The students of Grade VI ensured that our guests had a good time in school. In continuing with the spirit of celebrations, the students also participated in a Collage Making Competition- Diwali, the festival of lights.

**Celebrate Life. To truly live, Celebrate each day of Life. Let each day be a Festival of Joy.**

Dear Parents,

The month of November marks the beginning of celebrations and the air resounds with the chimes of change. The students enjoyed long Dusherra and Diwali breaks, but before that had various activities in school. Working on improving spoken English, the students participated in a group discussion where they discussed about Hobbies and Interests and what makes them interested in them. They learnt new words and phrases and then tried to use the same while speaking about their own hobbies. To further enhance their oratory skills and improve their confidence, the students worked in groups and presented a one-act play. They used a story map to develop the story and presented it with a clear introduction. They also participated in an Intra Class Debate Competition that gave them an opportunity to showcase their thoughts on the given topic- Laptops instead of notebooks and textbooks. On Social Science Day, they gave a presentation on Advertising. The main reason why it is important to study the Social Sciences is because the knowledge can help us improve our societies. On a different note, October being the month of Caring and Sharing, the students spent time with the special ones from Deep Ashram and played the perfect hosts to them. It was a very humbling experience for them to mingle with the guests and everyone was deeply touched with their visit. Another set of visitors were the students from the local Government School and the students of VII ensured that they had a good time in a 'big school'. Continuing with the spirit of celebrations, the students also participated in a Collage Making Competition- Diwali, the festival of lights.

“Children must be taught how to think, not what to think.”

Dear Mom and Dad!

October was a month of festivities and celebrations, filled with joy and enthusiasm. Student of Kindergarten participated in various hands on activities to understand the concepts taught. The month started with a tribute to the “Father of our Nation”, Mahatma Gandhi through an activity called “Apostel of peace” where in children made Charkha in class. To ingrain the message of “ victory of good over evil”, the students watched an enactment of Ramayan put up by their seniors during a special assembly. The festival of Diwali was celebrated through a Diya decoration and a Parent Involvement Activity of Toran and Rangoli making. It was a pleasure to see our little ones working side by side with their mothers to make beautiful torans and rangoli with full enthusiasm. Students are all geared up to learn and explore in November.

Dear Mom and Dad!

The month of October brought with it festivities and celebrations. We started the month with celebrating Gandhi Jayanti. Our little toddlers did thumb printing on Bapuji's picture as their teachers shared Bapu's mantra of following the path of honesty with them. The little ones enjoyed the special assembly for Dusshera put up by the senior classes and also enjoyed making a Ravan takeaway. Our students ushered in Diwali spirit by making Torans and Rangoli with their mothers and fathers through a Parent Involvement Activity which was enjoyed immensely by the children and their parents alike. Looking forward to a busy November.

### English

- Pre writing strokes
- Recap letter A-I.
- Letters J-M.

### Activities for the Month

- Annual Day Practice
- Educational Trip - 4<sup>th</sup> November 2019
- Children's Day Celebration - 14<sup>th</sup> November 2019

## General Information

- Students must adhere to the school timings (Refer Pg 12 of the almanac)
- Students must carry the almanac to school daily.
- Parents should check the almanac and ERP app regularly for any information.
- Students should be in proper school uniform. Kindly use only black rubber bands, clips or hair bands.
- Students must wear ID cards daily.
- Leave application must be submitted to the class teacher, one-day prior in the case of preplanned leave. In case of illness, a medical certificate must be submitted within three days of rejoining school. In case of long leave to attend important family function, prior written permission of Headmistress / Principal must be obtained.
- Label your child's belongings like lunch box, water bottle, bag etc.
- Please ensure that your ward gets an extra set of clothes to school everyday.
- **The Annual Day Practice is in full swing, so kindly refrain from absenting your ward from school unless there is an emergency.**
- **Please note that 16<sup>th</sup> November and 30<sup>th</sup> November will be normal working days for the students.**

We look forward to your cooperation in helping our children grow and learn together.

**Headmistress**

**Principal**

## **HERE WE GO ROUND THE MULBERRY BUSH**

Here we go round the mulberry bush,  
The mulberry bush,  
The mulberry bush,  
Here we go round the mulberry bush,  
On a cold and frosty morning.  
This is the way we wash our face  
Wash our face,  
Wash our face,  
This is the way we wash our face,  
On a cold and frosty morning.  
This is the way we comb our hair,  
Comb our hair ,  
Comb our hair,  
This is the way we comb our hair,  
On a cold and frosty morning.  
This is the way we brush our teeth,  
Brush our teeth,  
Brush our teeth,  
This is the way we brush our teeth,  
On a cold and frosty morning.  
This is the way we put our clothes,  
Put on our clothes,

Pick them up,  
Pick them up.

## **ONE, TWO, THREE, FOUR, FIVE**

One, two, three, four, five,  
Once I caught a fish alive,  
Six, seven, eight, nine ,ten,  
Then I let it go again,  
Why did you let it go?  
Because it bite my finger so.  
Which finger did it bite?  
This little finger on my right.
