

**IMPERIAL HERITAGE SCHOOL, SEC-102, GURUGRAM**  
**MONTHLY PLANNER FOR DECEMBER**  
**GRADE I (2023-2024)**

*“Optimism is the faith that leads to achievement. Nothing can be done without hope and confidence.”*

Dear Parents,

November is known for its fall colors, crisp air, and scenic beauty. It is the time of the year when leaves shed off their green color and wear vibrant shades of red, orange, and yellow. It is the beginning of winter, and yet the weather is pleasant. This month is especially important in our school calendar as students get busy with the preparations for the Annual Day. The month was buzzing with excitement as academics and practices were all rolled in one and everyone geared up for the biggest event of the year.

The month of November was also filled with celebrations of festivals, activities and learning of new concepts and focused on the holistic development of students. Celebrating Diwali, students made a beautiful toran and a candle stand. They also engaged in a discussion on how they share their things with siblings, friends or the one who needs it. They gave handmade cards to the nannies and security guards and felt happy knowing that they brought a smile to someone's face. They also helped their near, and dear ones through random acts of kindness. November being the month of Sharing and Caring, a donation drive was organized by the school and students donated wholeheartedly towards the cause. The proceeds of the drive went to Deepashram.

On the academic front, activities were done for better understanding of concepts. In English, preposition topic was introduced through a box activity where students brought a box and a toy and placed it as per the teacher's instructions to understand the position. Furthermore, students made creative sentences using preposition words. In EVS, introduction of Clothes We Wear was done through a touch and feel activity where children touched different types of clothes and spoke about them. In Mathematics, 'Let's go shopping' activity was organized to teach students how to use and calculate money.

December is a month for everybody around the world, it is the most wonderful time of the year. It's the month of happiness and cheer, of red, green and white. It is also a month of planning. Many people plan their successes for the next year. As the new year is right around the corner, everyone is preparing. The new year often presents a new beginning for many. December gives us all an opportunity to look over the past year and plan out our next year.

Merry Christmas and a Happy New Year!
