

IMPERIAL HERITAGE SCHOOL, SEC-102, GURUGRAM
MONTHLY PLANNER FOR DECEMBER
GRADE II (2023-2024)

“Optimism is the faith that leads to achievement. Nothing can be done without hope and confidence.”

Dear Parents,
Greetings and good wishes!

As we step into December, let's immerse ourselves in the joy and happiness that this month brings. It's not just a time for festivities, but also a chance to complete the goals we set earlier in the year. December marks a significant moment for our school, as we eagerly await the grand finale – the 'Annual Day'. This month provides each of us with the perfect opportunity to showcase our dedication and commitment to the school. So, let's welcome December with boundless passion and enthusiasm, ready to culminate the year on a high note. Together, let's make this month a testament to our collective achievements and shared spirit!"

“November at its best—with a sort of delightful menace in the air.”

The month of November is a well-known time to execute the preparations for School Annual Day Celebrations. Students across all grades were busy with their regular practice sessions for the event and teachers were working equally hard to make this event a grand success. From dance performances to play and musical events, to speeches, the school's Annual Day practice is filled with the most treasured moments- the dress rehearsals, run throughs and the uncontainable enthusiasm. It is a once-a-year event that brings out teachers, students, school management and parents on the same platform to enjoy the celebrations.

Looking back at November; a month filled with learning adventures! Throughout November our students enthusiastically participated in a range of engaging activities that not kept their spirits high but also provided valuable learning opportunities. In the realm of Mathematics we organized the 'My Pizza Activity' and board games to help students grasp the understanding of fractions. In English we took a hands-on approach to introduce compound words through kinesthetic activities. We further expanded their knowledge by exploring the concept of Day and Night using a globe. The captivating topic of the Universe fascinated our students, who actively took part in the 'Phases of the Moon Activity' with a twist involving Oreo biscuits. November truly unfolded as a month brimming with enriching experiences and interactive learning! Students also played scrabble games to learn the new words from the vocabulary list.

As Diwali symbolizes the spirit of sharing and kindness, we organized an activity to instill the values of generosity and gratitude among students. In this initiative, students participated in a 'Random Act of Kindness' activity, crafting thoughtful cards for individuals such as society caretakers and maids. Additionally, they generously donated various items to Deep Ashram, extending their support to those in need. To enhance the festive ambiance, students also crafted exquisite earthen diyas and lanterns for Diwali decorations, adding a touch of creativity and warmth to the celebrations.

As the winter sets in, we look forward to January...to New Beginnings, New Hopes and a New Year!

1.Syllabus for December

ENGLISH	HINDI	MATHS	E.V.S	COMPUTERS
Coursebook: Chapter- 11 The Two Kings Chapter -12 Poem - The Kite Grammar: Joining words Question words(Wh) Opposites	साहित्य - पाठ - 12 यह दिवाली याद रहेगी व्याकरण - पाठ - 10 क्रिया	Chapter- 8 Length Chapter - 9 Mass	Chapter-14 Time Chapter-15 Days and Months Chapter 16 Weather and Seasons	Chapter-7 Tux Paint
