

IMPERIAL HERITAGE SCHOOL, SEC-102, GURUGRAM
MONTHLY PLANNER FOR DECEMBER
Grade V (2023-2024)

Year's end is neither an end nor a beginning but a going on, with all the wisdom that experience can instill in us.

Dear Parents,
Greetings!!

“Mankind is a great, immense family. This is proved by what we feel in our hearts at Christmas.”
-Pope John XXIII

December is the month of joy, happiness and to finish what you started. The month will give us all an opportunity to exhibit our commitment towards the school as we all would be witnessing the most anticipated event- our 3rd Annual Day.. So let us all welcome December with a lot of passion and zeal.

“November at its best—with a sort of delightful menace in the air.”

The school's Annual Day is the most awaited event of the school calendar. The month of November is a well-known time to execute the preparations for School Annual Day Celebrations. Students across all grades were busy with their regular practice sessions for the event and teachers worked equally hard to make this event a grand success. From dance performances to play and musical events, to speeches, the school's Annual Day practice was filled with the most treasured moments- dress rehearsals, run throughs and the uncontainable enthusiasm. It is a once-a-year event that brings out teachers, students, school management and parents on the same platform to enjoy the celebrations.

The month of November was full of excitement as it started with a bang. Haryana Day was celebrated with great zeal. Students of Grade V presented a beautiful assembly showcasing the rich heritage and culture of our state. It was a treat for eyes to watch them presenting the vibrant colors of Haryana through various folk dances, songs and dance dramas.

Celebrating 'Caring and Sharing', the students made 'I Care For You' cards for their friends as a token of love. They also got a chance to do something nice for society and bring a smile on the faces of the children of Deep Ashram as they wholeheartedly participated in the donation drive organised by the school.

The students also had a potluck lunch to celebrate the festivity of Diwali. Some of the students also participated in the special assembly on Diwali, sharing the true spirit of Diwali - to light up our lives with the lights of truth and happiness.

A class activity in science was conducted in which the students made the working models of various kinds of simple machines. They discussed and understood the working of simple machines in class using the working models of an inclined plane, pulley, levers, etc. Language helps in expressing thought, ideas and emotions. Students engaged in a letter writing activity in Hindi where they wrote a letter to their father posted at the border post during Corona times. Extending the thought of expression, the students made paper boats and shared their thoughts about places they would like to visit while on the boat. This was an extension of a poem in their English coursebook- Paper Boat. Activities like these in the classroom help hone confidence in the students and help them in expression, pronunciation and articulation.

Participation in competitions helps hone the competitive spirit in students and is an excellent platform to showcase talents. Our students- Ayaan Pathak of V B and Ananya of V A participated in an Inter school

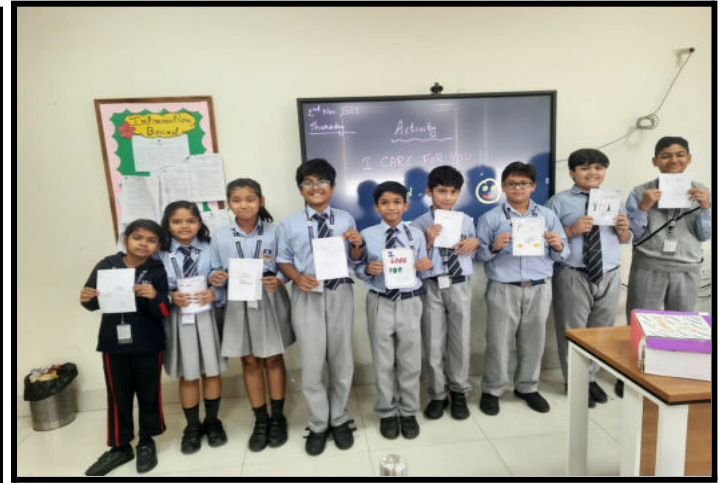

Competition held at Suncity School Sector 37D. Arshdeep Singh of V B participated in the Inter School Lawn Tennis match at GD Goenka School and won the silver medal.

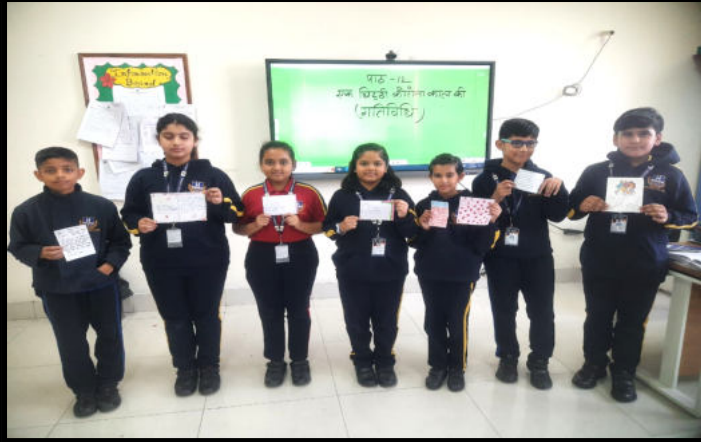

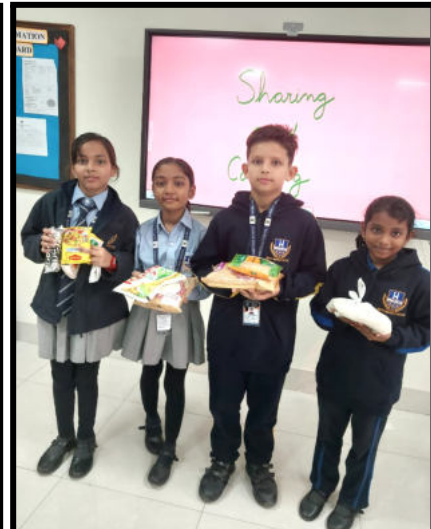

The children are now all geared up for the mega event- The Annual Day of our school. They are full of energy and enthusiasm, leaving no stone unturned to get the perfection in their moves. They have been practicing really hard and with great perseverance to make the event a big success.

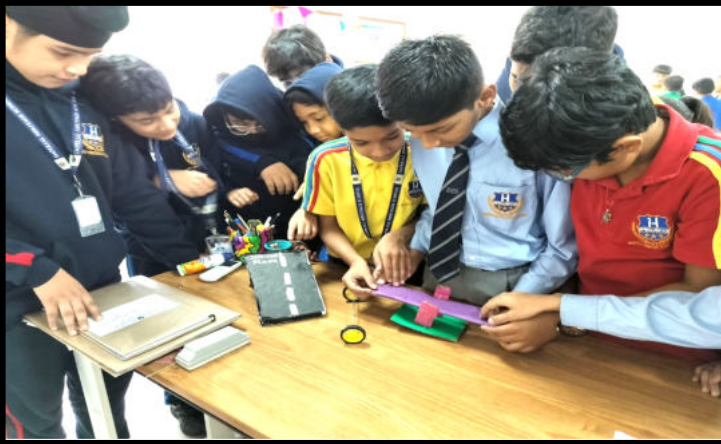

As December also marks the birth of lord Jesus Christ on Christmas, lets keep the real message of Christmas in our hearts. *“Peace on earth will come to stay when we live Christmas every day.”*

As the winter sets in, we look forward to January...to New Beginnings, New Hopes and a New Year!

Merry Christmas and a happy New Year !

1. Syllabus of the Month

English	Math	Hindi	Science
Literature: Reader The Fisherman MCB Chapter: The Wizard of Oz Grammar: Chapter - Prepositions Chapter - Conjunctions Writing: Story writing	Chapter – 13 Speed Distance and Time Chapter - 15 Triangles, Quadrilaterals and Circles	पाठ्य पुस्तक- पाठ – 13 हरिए न हिम्मत व्याकरण- अविकारी शब्द अशुद्धि शोधन	Chapter-13 Our Earth's Natural Satellite
