MONTHLY PLANNER FOR DECEMBER
GRADE-VI (2023-2024)

“God gave us memory so that we might have roses in December”. James M. Barrie

Dear Parents,
Greetings!!

December is the month of joy, happiness, and finishing what you started. The month will give us all an opportunity to exhibit our commitment towards the school as we all would be witnessing the most anticipated event ‘Annual Day’ in the school. So let us all welcome December with a lot of passion and zeal.

“November at its best—with a delightful menace in the air.”

The month of November is a well-known time to execute the preparations for “School Annual Day Celebrations”. This year too we had begun to prepare well in advance. Students across all grades are busy with their regular practice sessions for the event and teachers are working equally hard to make this event a grand success.

Donation Drive: The month of November ushered in the festive season kindling the spirit of caring and sharing. To express our love and gratitude to other members of society by sharing and caring for them, IHS initiated a Donation Drive and pledged solidarity towards the children of Deep Ashram.

Vigilance Awareness Week: Vigilance Awareness Week 2023 was observed from 30st October to 05th November with the theme “Say no to corruption; commit to the nation”. The students of IHS took an Integrity Pledge to mark Vigilance Week.

Compliment for You: The students prepared cards with a message for their friends and family members to compliment and convey their gratitude towards their near and dear ones.

Each One Teach One: Continuing with the theme of Sharing is Caring, the students of Grade VI devoted their time to teach the nannies of the school.

Diwali is often called the 'Festival of Lights', and is celebrated by lighting lamps. **Special Assembly on Diwali** was presented wherein the students participated with a lot of enthusiasm in the play depicting the victorious return of Lord Rama to Ayodhya after saving his wife Sita from the demon king Ravana.

Constitution Day was celebrated on 24th November as a part of the **CBSE Activity** wherein the students made a **Classroom Preamble** and took the oath to follow the same in the classroom.

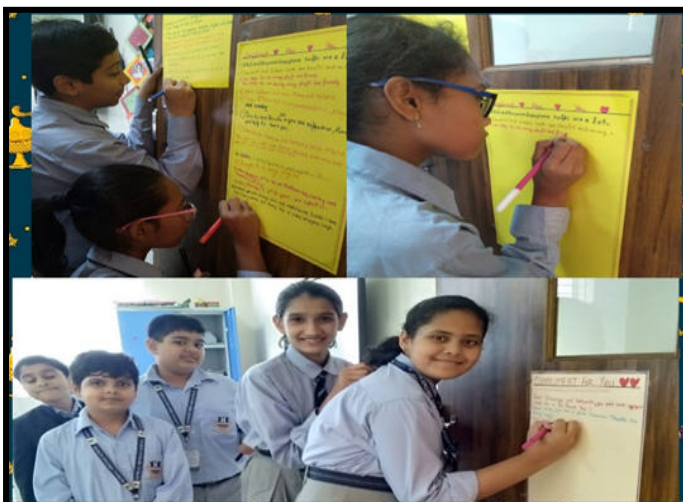

In **Math**, students got engaged in measuring various objects, allowing them to explore and apply the formulas for perimeter and area. This hands-on approach not only enhanced their understanding of mathematical concepts but also provided practical experience in measurement.

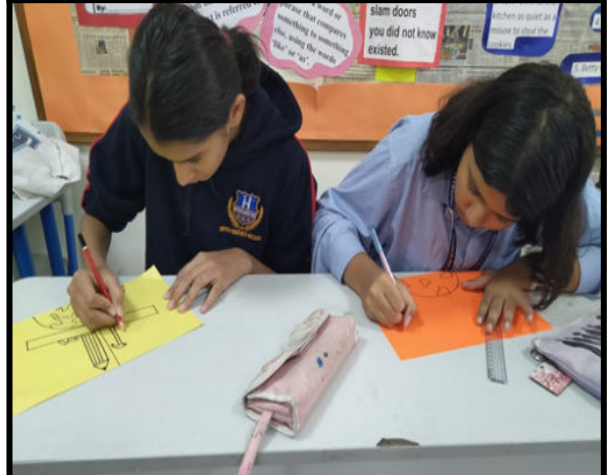

In **Hindi**, कक्षा 6 में पाठ लोकगीत की गतिविधि कराई गई । इसमें बच्चों ने बहुत आनंदित होकर बढ़ चढ़कर भाग लिया । इस गतिविधि में बच्चों द्वारा लोकगीत कक्षा में गाए गए और लोकगीत A4 साइज शीट पर लिखवाया गया ।

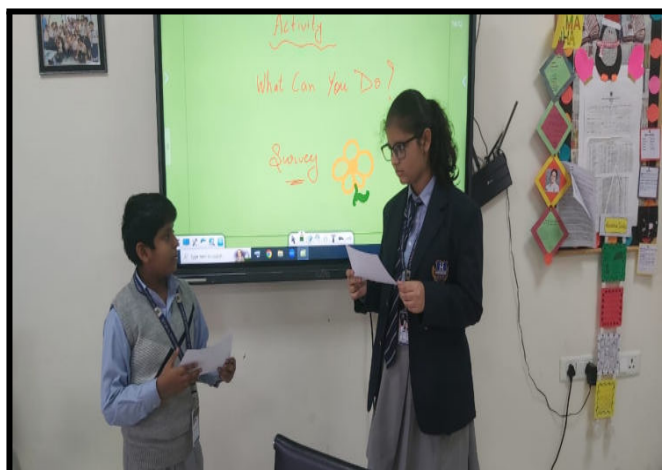

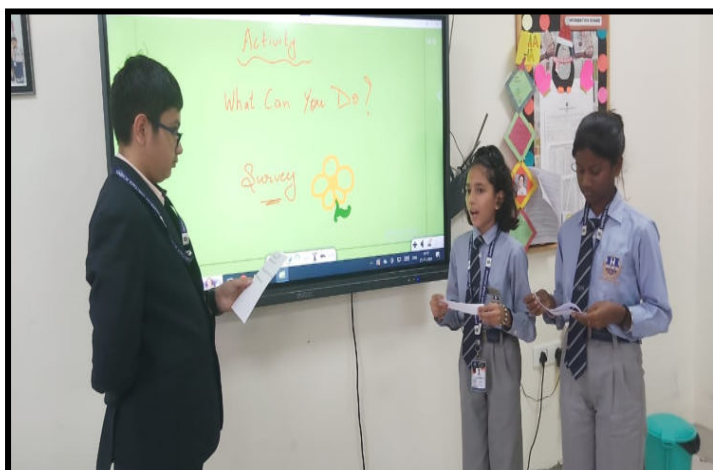

In **English**, the students made a poster on the topic ‘Ban Child Labour’ with great interest. This activity was connected to the story, Children at Work, in which they have read about two rag pickers. The students shared what they do when they come across child beggars and what they should be grateful for in their lives. In

Science, the students used different measuring tools like measuring rods, measuring tape, a ruler, a set of dividers, a piece of string etc. to measure various objects like a table, wall, pen, pencils, a rope (curved surface) and learned how to measure the length of various objects.

In order to promote the value of the month '**Tolerance**' in the classrooms, the students of Grade VI were encouraged to embrace diversity, respect differences in opinion and help friends, use polite and not offensive words when having the conversation.
