

IMPERIAL HERITAGE SCHOOL, SECTOR-102, GURUGRAM
MONTHLY PLANNER FOR DECEMBER
KG (2023-24)

“Compassion is the greatest form of love humans have to offer.”

Dear Parents,

Greetings !

December is the month of joy, happiness and to finish what you started. The month will give us all an opportunity to exhibit our commitment towards the school as we all would be witnessing the most anticipated event ‘Annual Day’ in the school. So let us all welcome December with a lot of passion and zeal.

“November at its best—with a sort of delightful menace in the air.”

The school’s Annual Day is the most awaited event of the school calendar. The month of November is a well-known time to execute the preparations for the school's Annual Day. Students across all grades are busy with their regular practice sessions for the event and teachers are working equally hard to make this event a grand success. From dance performances to play and musical events, to speeches, the school’s Annual Day practice is filled with the most treasured moments- the dress rehearsals, run throughs and the uncontainable enthusiasm. It is a once-a-year event that brings out teachers, students, school management and parents on the same platform to enjoy the celebrations.

On the academic front, students were engaged in learning about different topics. In EVS under the theme Seasons, students learned about major weather conditions of India, Clothes and Food we consume in different weather. They also learned about weather changes through paper plate and leaf impressions activities. In Numeracy students learned concepts of number names as it helps them to identify numbers easily. There was a recapitulation of what comes before, after, in between, and missing numbers (1 - 100). Students were introduced to the SEMI-CIRCLE shape through exciting objects and activities. In Literacy students were introduced to CVC words of vowel o and there was a recapitulation of vowels a, e, and i CVC words. Students learned how to read and write with phonic sounds. They did picture reading, look and write, matching and rhyming words.

To make our little ones aware of Halloween, the Pre-Primary was busied with activities typical of it. The children came dressed as ghosts, witches, vampires etc. A special spooky corner was created for the children too and they enjoyed all the fun activities.

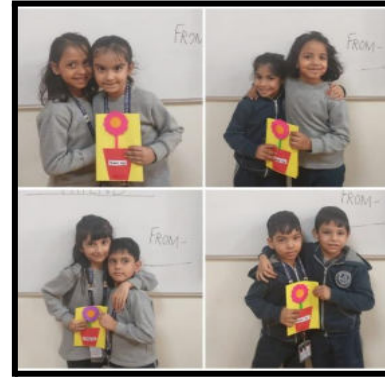

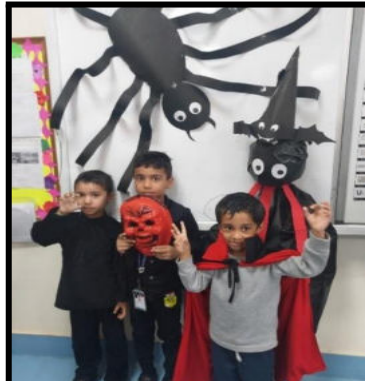

To celebrate Diwali, mother’s participated in a rangoli making and candle decoration activity wherein each child and mother made a rangoli and decorated a candle. The students, mothers, and teachers all enjoyed the fun activities. They displayed their creativity and bonds of unity by making a wonderful rangoli together. To celebrate the joy of the festival of light Diwali they made a candle holder in pottery class and decorated it with mirrors and teachers gave a diya as a takeaway.

Celebrating Caring and Sharing, students brought gifts for their buddy and made thank you cards for them. They also contributed generously for the donation drive or Deep Ashram organised by the school. This spirit helped to bring cheer and happiness to others. This resonated with the value of the month which was compassion where the little ones understood how they should appreciate what they have and share with those who are less fortunate.

To celebrate the joy of colours we have the Colour Burst and the colour for the month was Pink . This is the colour of universal love of oneself and of others. Students were given a thorough understanding of the colour through different activities. Students enjoyed the day as they came dressed in various shades of the colour and spoke some lines to describe it . They did a craft activity of making Pink piggy bank . They also engaged in a discussion with the teachers and their peers and recalled different pink coloured items in their classroom and homes.

As the winter sets in, we look forward to January...to New Beginnings, New Hopes and a New Year!
