

IMPERIAL HERITAGE SCHOOL, SECTOR-102, GURUGRAM
MONTHLY PLANNER FOR DECEMBER
NURSERY (2023-24)

“Dream, Dream, Dream, Dream transforms into thoughts and thoughts result in action .”

- Abdul Kalam

Dear Parents,
Greetings!!

As the year ends, December brings a season of festivities, introspection, and generosity. This month is best known for Christmas and New Year's Eve, but there is another reason why this month is special. December cheer is in the air as we prepare for the biggest event of the school year- the Annual Day. The palpating excitement that filled the corridors was the lead-up to the Annual Day. Teachers and students have left no stone unturned to prepare for this event and the month of November was full of practice, leading upto perfection.

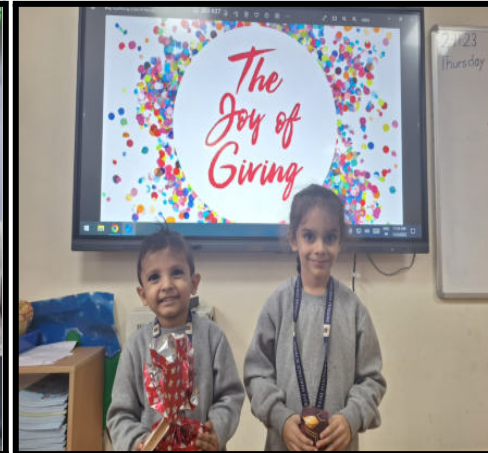

November was observed as a month of festivals and celebrations, filled with lots of joy and enthusiasm. Students of Nursery participated in various hands-on activities. The month started with the Diwali festival where the students made beautiful Diwali cards. Celebrating the festival, we had a parent involvement activity, where the students along with their mothers decorated the corridors with beautiful rangolis.

Celebrating a month of Sharing and Caring, students made a wonderful thank you card for their friend, appreciating the friendship. They also wholeheartedly participated in the donation drive organised by the school for Deep Ashram, and generously donated useful items. This spirit helped to bring cheer and happiness to others. This resonated with the value of the month which was compassion where the little ones understood how they should appreciate what they have and share with those who are less fortunate.

On the academic front students learned new letters and numbers through fun-filled activities and writing practice. The introduction of letters and numbers was done with the help of flashcards and different educational games. They sorted different letters and numbers according to the instructions given. The concept of empty and full was done through various activities. In EVS it was fun learning about different Seasons. They learned about Spring and Summer seasons and how they are different by participating in different activities like craft, virtually singing songs and dancing to songs related to different seasons. They also learned about the clothes we should wear and we can eat during these seasons.

Celebrating Colour Burst, the students celebrated pink colour by wearing pink colour outfits and enjoyed doing Pink day craft. They expressed their thoughts about the colour. Most of them associated the colour with girls and Barbie dolls.

May the Christmas Season bring only happiness and joy to you and your family.
Merry Christmas and a Happy New Year!

Syllabus for the month of December

ENGLISH

Introduction of letters, sounds and formations:

Letters – Pp, Bb and Rr

Sight Words:

he, she, is, am, are

E.V.S

Seasons-

Spring

Summer

MATH

Introduction of numbers 21 to 28

Pre-Math Concepts:

Left and Right

Shape: Oval
