**Dear Parents**

**Greetings!**

**Vacation.....the word itself brings a huge, dazzling smile to the face of our children. Children and parents welcome this most-awaited time of the year with open arms. It is time for children and their loved ones to rejoice and rejuvenate and create memories together. Children choose to spend time in the company of friends and family and in pursuit of leisurely activities of interest and hobbies. With reasons plenty, the children look forward to these holidays.**

**Summer Vacation is the time for children to explore their interests and indulge in various activities and projects that would lead to their all-round development. We have designed the Holiday Homework in such a way that their creative and hidden talents surface and they will also be able to develop skills like relating, thinking, concluding, inferring etc. With a little creativity and an open mind, the possibilities for a fulfilling summer vacation are endless.**

**Summer vacations is a time to cherish, celebrate and renew lost habits and bonds. Connect with your child on a personal level and see the transformation within. As parents, you also need to unwind and relax. Do your favorite things and involve your child in them too. We hope that our children will thoroughly enjoy the vacation and make the most of this summer. As rightly said, a little bit of summer is what the whole year is all about.**

**"Instruction does much, but encouragement is everything."**

**Vital Suggestions for Summer Parenting:**

**Let us all feel the summer vibes with a poem written by Leslie Pinckney Hill...**

**SUMMER MAGIC**

So many care to vex the day,  
So many fears haunt the night,  
My heart was all but weaned away  
From every lure of old delight.

Then summer came, announced by June,  
With beauty, miracle, and mirth.  
She hung aloft the rounding moon,  
She poured her sunshine on the earth,

She drove the sap and broke the bud,  
She set the crimson rose afire.  
She stirred again my sullen blood,  
And waked in me a new desire.

Before my cottage door, she spread  
The softest carpet nature weaves,  
And deftly arched above my head  
A canopy of shady leaves.

Her nights were dreams of jeweled skies,  
Her days were bowers rife with song,  
And many a scheme did she devise  
To heal the hurt and soothe the wrong.

For on the hill or in the dell,  
Or where the brook went leaping by  
Or where the fields would surge and swell  
With golden wheat or bearded rye.

**Enjoy your summer vacation. May you all have an exciting summer full of cheer and fun.**

**Best Regards
