**MONTHLY PLANNER FOR AUGUST**  
**GRADE IV (2024-2025)**

*Pride erects a little kingdom of its own and acts as sovereign in it .*  
*William Hazlitt*

Dear Parents,

Greetings!!

We are extremely excited to welcome a fresh new month of August that brings in showers. July was full of excitement as we kickstarted the month with various activities after summer vacations.

Book Week was celebrated to immerse the students in the world of reading. Different activities were organized to help them to appreciate reading and encourage their imaginative and creative thinking.

Book Week was celebrated in school and it gave an opportunity to delve into reading. The week encouraged students to learn to love reading and discover different kinds of books and authors. The activities also brought students, teachers, and parents closer together. Plus, talking about books and doing reading activities helped students think more deeply about what they read.

- **My Signature in My Mother Tongue Activity ( Bharatiya Bhasha Utsav) ---** Students were asked to showcase their signatures on an A4 size sheet in their mother tongue and display in class.
- **D.E.A.R (Drop Everything and Read Day) ---** Reading has countless benefits as it stimulates our cognitive abilities and enhances our vocabulary and sharpens our critical thinking skills. In this activity students along with the teachers sat silently and read their favourite storybook and enjoyed the dedicated reading session.
- **Name the Vegetable Activity (Bharatiya Bhasha Utsav) ---** Students pasted pictures of any two vegetables on an A4 size sheet. Then they named the vegetables in another Indian language and shared them in class.
- **Intra - Class Panchatantra Character Show and Tell Competition ----** Students dressed up as their favourite character from any Panchatantra story and spoke few lines about it. This competition was organised to celebrate Book Week with the aim of developing their interest and likings towards books. Students participated enthusiastically and won everyone's heart with their excellent performance.

**Congratulations to the winners!!!**

Position/Class	Grade IV A	Grade IV B	Grade IV C
I	Challagundal Jithesh/ Avika Aggarwal / Vedika Bakshi	Arohi Khandodiya / Vamika Shankla	Aradhy Srivastava/ Kanaayka Butola
II	Riyanshi Walia/ Vivan Saxena	Vedansh Singh Rathore/ Avika	Rajeshwar Sharma/ Kriyaansh Gaur
III	Akshit Tyagi/ Neer Gupta/ PranitAgrawal / Rhythm Ganotra	Shiya Thakur / Parthvi Shukla	Avyukt Singh/Deepal Yadav/ Vihaan Bansal/ Shauryansh Singh

Value of the month was **KINDNESS** towards human beings and animals. Students watched videos on kindness and engaged in discussions about being kind towards everyone. Extending the activity, they created a collage and felt great in sharing their thoughts in class.

The academic front made learning interesting through various hands-on activities in all the subjects to understand various concepts. In **Math** an online activity was done on **Multiplication** where students rolled the dice and solved the multiplication sums mentally. In **Division**, an activity named Division Card Relay, was conducted which combined learning with interactive play. Each child received a play card with a division sum and its answer. The game began with one child calling out the division sum aloud (e.g., "I am 36 divided by 6. Who has the answer?"). The respective child with the correct answer card (e.g., "I have 6") then told the answer and read his / her own division sum continuing the relay. This process repeated until all cards were used, making sure each child participated. This engaging activity not only reinforced division skills but also fostered teamwork and active listening.

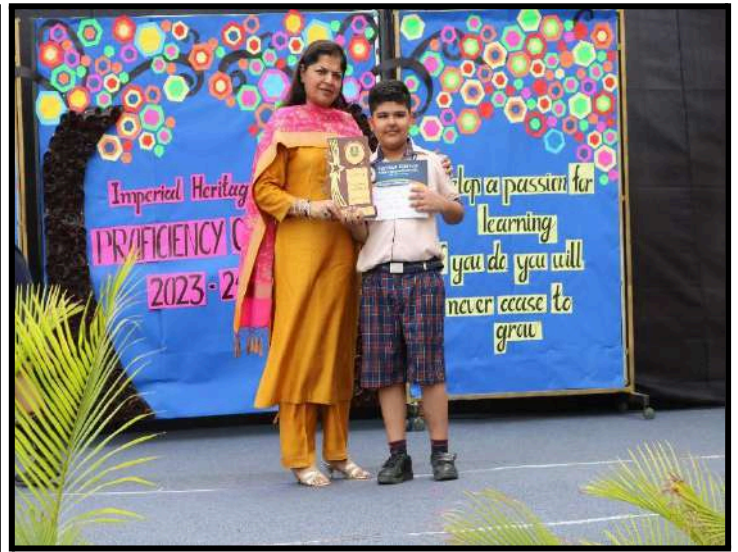

In **EVS** students were engaged in a fun and interactive learning experience! In **Chapter 5 – Fun We Have**, students worked in groups, explored various models of different indoor games created by them and explained to each other how to play the games. In addition to this, in **Chapter 6 – Work Around Us**, students dressed up like their favourite **Community Helper** and then spoke lines about their dream profession. They also learnt about skilled and unskilled work and understood this concept more by segregating these two types of work with the help of picture cut-outs of various occupations.

In **Hindi**, the students made pictures of the famous freedom fighters who took part in India's freedom struggle and wrote the slogans for the countrymen, which worked for public consciousness and also fills us with enthusiasm even today. Through this activity, they learned about the freedom struggle of our country .

**Rakhi Making Activity** was done by the Art teacher where the students made beautiful and colourful rakhis for the soldiers.

The Proficiency Ceremony was organized that recognizes and rewards excellence in academics, extracurricular activities, leadership, and character development. It is an opportunity to applaud our students' commitment to personal growth, perseverance, and their ability to rise to challenges with determination and resilience. Proficiency ceremony was organized in which students were awarded for their excellence in academics and extracurricular activities for the academic session 2023-24.

Proficiency Holders	IV A	IV B	IV C
Proficiency I	Abhinav Gupta	Vamika Shankla, Savir Sangwan	
Proficiency II	Avika Aggarwal, Pranit Agrawal	Navanya Mishra	Avyukt Singh
Proficiency III	Vedika Bakshi	Avika	Deepal Yadav
