

IMPERIAL HERITAGE SCHOOL, SEC-102, GURUGRAM
MONTHLY PLANNER FOR AUGUST
GRADE V (2024-2025)

Success is no accident. It is hard work, perseverance, learning, studying, sacrifice and most of all, love of what you are doing or learning to do."
—Pelé

Dear Parents

Greetings!

Students returned to school, rejuvenated after a long summer break and geared up to get back into the regular routine of work. We are extremely excited to welcome a fresh new month of August that brings in showers. July was full of excitement as we kickstarted the month with various activities after summer vacations.

In order to enhance the literary skills and cultivate good reading habits among students, an enriching and engaging Book Week was organized from 12-7-24 till 18-7-24. The aim was to make it a fun and immersive experience for all participants. The school took the initiative to celebrate a week filled with activities revolving around the books and authors. A variety of literary activities, **My Signature in My Mother Tongue, D.E.A.R (Drop Everything And Read) & Name the Vegetable Activity** and **My Theatre, My Movie – Intra-class Competition** piqued the students' interest. These activities were well-integrated with the school curriculum, providing students with the opportunity to delve into the realm of books and literature.

RESULT OF INTRA CLASS COMPETITION
MY THEATRE, MY MOVIE

Position	V A	V B
I	Ananya Ravesh, Aanya Kushwaha	Paarth Yadav, Shreyanshi Nayak
II	Soumya Phalswal	Kunal Singh
III	Aradhya Das	Rehansh Bhada

Under the able guidance of the respective subject teachers, the students got highly benefited with the various Subject Enrichment Activities during the month. They created **Factor trees in Mathematics** helping them to develop their problem-solving skills and understanding number relationships. They identified prime and composite numbers, recognized patterns, and applied mathematical reasoning. This activity fostered critical thinking, creativity, and confidence in math, building a strong foundation for future concepts.

In **Social Science**, students became junior meteorologists! They learned how to observe and report the weather, using various tools and techniques to gather information. This hands-on experience helped them understand how weather affects our daily lives and the importance of accurate weather reporting. And to develop the deeper understanding of the scientific concepts also, students conducted an interesting activity related to volcanic eruption. This hands-on experience gave them a more enjoyable and interactive learning experience to know about the process and effects of the volcanic eruption.

To create a fun filled experience in English, the students enthusiastically presented wonderful enactments from the chapter **Christmas Won**. Through diverse characterizations, they shared their insights and demonstrated different characters. The students' boundless enthusiasm and high engagement level made the

learning process truly unforgettable. The main aim of the activity was to make them aware of how to overcome one's challenges and struggles despite hardships. The very prompt 'What I would do with Rs. 1000/-' acted as a powerful catalyst for discussion for them. Their engagement, especially in the classroom setting, left the teachers spellbound. They learned essential values like kindness, compassion and helpfulness. This chapter was interwoven with the value of the month- Kindness and students made a connection with the same through discussions and the role play.

As we approach the upcoming month, we are presented with more promises and milestones to achieve, as well as numerous important occasions to be celebrated. It is with immense pride that we declare the past month to have been quite eventful and momentous for both the parents and the school. The school provided a wonderful platform to honor the hard work, perseverance, and sacrifices of the students through the Proficiency Ceremony for the session 2023- 24.

Position	V A	V B
Ist	Saanvi	Rehaan Verma
IInd	Ridhima Singh	Kunal Singh
IIIrd	Nayonika Yadav	Nishtha

And last but not the least, for the all round development of the child, the 33rd North and East Taekwondo Championship at Thyagraj Indoor Stadium New Delhi added another enjoyable dimension to students' lives. Under the category of 30-35 Weight, below 10 years of age, Priyanshi of V A and Harshit Sharma of class V B clinched a bronze medal and a silver medal respectively.
