

IMPERIAL HERITAGE SCHOOL
SECTOR-102, GURUGRAM

**SUMMER
VACATION**

HOLIDAY HOMEWORK
GRADE: NURSERY

Summer has begun,
Shine like a Sun
It's time to learn,
let's have some fun!

Dear Parent,

We hope the children enjoyed their first spell in school as much as we enjoyed getting to know them. SUMMER VACATION is round the corner. It brings a respite from the sweltering heat, an ocean of time to relax and rejuvenate, to pursue hobbies and to spend time with dear ones.

Children learn through experiences and play. There are many ways in which you can support them in gaining knowledge and understanding as well as strengthening the parent-child bond.

Here are some activities given to help your child become independent and confident:

Independent Me

Please give instruction to your ward to do these activities at home....

- Keeping his / her belongings back in their place.
- Buttoning and Un-buttoning his/ her shirt.
- Hanging School bag.
- Opening and closing tiffin box.
- Zipping and unzipping.
- Proper toilet training.
- Arranging shoes in the shoe rack.
- Filling the water bottles.

Imbibe 'Social Skills' in your child. Encourage your child to....

- Greet with a smile when someone comes to the house.
- Go out doors and play with his/her friends.
- Converse freely with visitors, relatives coming over to the house.
- Speak politely with all.
- Sit at the dining table with the family to eat meals using proper table manners.
- Respect and help the elders at home.

Let's Converse in English

- May I go to the washroom?
- May I open / close my tiffin / bottle?
- I am hungry. Please give me food.
- I have finished my work / food.
- I am thirsty. May I drink water?

Let's learn about Hygiene. Encourage your child to...

- Brush his/ her teeth twice a day.
- Trim his/ her nails often.
- Keep his/ her surroundings and environment clean.
- Remember that it a bad habit to throw things out of the windows, car or balcony.

Fun with Parents:

- Cook dinner together.
- Go shopping together. Tell your child about the difference between a market and mall, about the things, items and material purchased from there.
- Let your child help in your household chores like cleaning windows, dusting and many more.
- Walk together and talk to your child about what she/he likes, dislikes and why?
- Help your child to memorize the home address and your phone numbers too.

Fun in Knowing: Tell the child about your childhood, share incidents from the past and show her/him old family albums. This will strengthen the bond between you and your child.

Fun with Books: Read English and Hindi stories to your child with morals and colourful illustrations.

Good manners and good habits are lifelong assets and they should be practiced until they become habit. Revise the four magical words: PLEASE, SORRY, THANK YOU and EXCUSE ME which we have learned as the part of basics of good manners. Make these four magical words a habit and see the difference.

Communication skills play a pivotal role in grooming overall personality. Converse regularly with your child in English.

The theme for the Holiday Homework is PLANTS.

General Instructions: -

- Activities 6- 10- remove the sheets and get the work done. Present your work in an attractive folder with your name and class written at the top.
- All the work should be hand-written.
- Original drawings/illustrations and creative use of material will be appreciated.
- Original work by the child shall be acknowledged, we do not encourage the work to be completed by parents.
- The school will re-open on 1st July.
- Submit your H.W. on 5th July

The work will be evaluated for all the subjects on the following parameters.

- Idea and content
- Presentation
- Creativity

Be safe, stay hydrated, and enjoy the holidays.

Best Regards,

Ms. Neelu Sharma
Principal

“IF YOU TRULY LOVE NATURE, YOU WILL FIND BEAUTY EVERYWHERE.”

TREES gives us everything without asking for anything in return. They are one of the greatest blessings for humans from Mother Earth. Let our young learners understand it with the help of this beautiful story:

<https://www.youtube.com/watch?v=gRhkDeQwbfY>

Moral of the story: -

The Giving Tree will help your child understand multiple lessons like loving someone unconditionally without expecting anything in return and the joy of being with your loved ones.

ACTIVITY -1

GERMINATION- A JOURNEY OF A SEED TO A PLANT

Germination is the process by which a seed begins to sprout and grows into a new plant.

Germination is like the wake-up call for a sleeping seed. When a seed gets enough water, warmth, and air, it starts growing. First, a tiny root called a radicle comes out and digs into the soil. Then, a shoot pushes up above the ground, carrying leaves for making food. This whole process of a seed turning into a new plant is called germination.

Let us understand this simple process of germination through a craft activity.

Material required:

- A4 sheet (white)
- Poster colours (green, brown)
- Paint brush
- Glue
- Crayon - Yellow

NOTE- Watch the given link for instructions.

ACTIVITY -2

SPROUT CHAAT (GERMINATION)

A sprout is a young shoot that emerges from a seed during germination. Sprouted chaat is a tasty snack which can be tossed up quickly, and is the perfect answer to sudden hunger pangs.

Look at the picture below and try and make the same one with your parents.

Material required:

- 1 bowl soaked and sprouted whole moong dal
- 1 small onion- finely chopped
- 1 medium tomato - finely chopped
- 1 green chilly - finely chopped (optional)
- 1 tablespoon - chopped coriander leaves Chaat masala powder as required
- 1 or 2 teaspoon - lemon juice as per taste Black salt as required

Recipe:

In a large mixing bowl, mix sprouted moong dal, chopped onions, chopped tomatoes, chaat masala, black salt, 1 teaspoon of lime juice, and 1 tablespoon of chopped coriander leaves.

Note: Click four pictures of your ward while doing this flameless cooking activity and paste his or her photographs on an A4 sheet. Give a catchy title.

ACTIVITY -3

PARTS OF A PLANT

We see plants everywhere around us. Take one from the garden and compare it with the picture given below. Observe the different parts. Using play dough, make the same on an A4 sheet.

Material required:-

- A4 sheet
- Card board
- Play dough (multi colour)
- Crayons
- Glue

Instructions:-

- Colour the sheet as shown in the given picture.
- Make different parts of a plant using the play dough and paste as shown in the picture
- Make a sun also.
- Paste the names of the different parts of the plant.
- Paste the completed artwork on the card board.

ACTIVITY -4

MY FLOWER GARDEN

A flower garden is a beautiful place to be in because of the pretty and colourful flowers. Try and make your own flower garden, following the instructions given below. You can add more details if you like.

Material required: -

- A4 sheets (Multi colour)
- glue

Instructions: -Follow the steps as shown below or use the link-

<https://pin.it/5VL7Gs2w0>

ACTIVITY -5

MY FRUIT CALENDAR

A calendar is a system used to organize and arrange time, typically into days, weeks, months and years. It helps people keep track of events, appointments, holidays and other important dates.

Keep a track of your healthy habits using this calendar by keeping a record of the fruits that you eat.

Material required:-

- A3 sheets (white colour)
- Sketch pens

Instructions:

- Draw the calendar as shown above.
- For each day, draw and colour the fruit that you ate.
- Make it colourful and attractive.

ACTIVITY -6
SHAPES IN A TREE

Material required:-

- Origami sheets
- Glue

Instructions:-

- Remove this sheet from the homework.
- Cut shapes as shown in the tree using different coloured origami sheets.
- Paste the cut outs of shapes on the tree.

ACTIVITY -7

MAZE

Material required:-

- Pencil or crayon

Instruction:-

- Join the animals faces to their legs.

ACTIVITY -8

ICE-CREAM COLOURING ACTIVITY

SUMMER

Material required:-

- Crayons

Instructions:-

- Colour the picture.

ACTIVITY -9

TRACE THE PATTERNS

ACTIVITY -10

TRACE AND COLOUR

Trace the lines and colour the picture.
