MONTHLY PLANNER FOR JULY
GRADE II (2024-2025)

“Education is the most powerful weapon which you can use to change the world.”

— Nelson Mandela

Dear Parents,

Greetings!

Welcome back to school! We hope you had a wonderful break and are ready to dive back into the excitement of academics, activities, and fun.

The start of a new school year is always filled with hope, aspirations, and energy. Our teachers were thrilled to welcome students back to the classroom. On the first day, we conducted engaging activities to keep spirits high and to facilitate interaction between students and their class teachers. A special assembly was held by the teachers to warmly welcome the students, and the enthusiasm was palpable as teachers performed for the students.

To ease the transition into the new school session, we dedicated the first week to recapitulation, helping students feel comfortable in their new classes and fostering rapport with their teachers.

In celebration of the Baisakhi festival, students made a beautiful origami kite with a Baisakhi drawing.

Environment Week was celebrated to raise awareness about environmental issues and emphasize that small efforts can lead to significant results. Students created Best out of Waste Pencil Holders and posters on the do's and don'ts of the 3Rs: reduce, recycle, and reuse. An Intraclass Competition was also organized, where students made Earth Day posters, fostering healthy competition and encouraging them to strive for excellence.

To honour Mother's Day, students crafted special gifts for their mothers and participated in a Salad Symphony Activity, enjoying quality time with their mothers.

In the academic realm, learning was enriched through a variety of engaging activities that extended beyond traditional textbooks. Students participated in group discussions on My Family and created family tree crafts in their EVS notebooks, making the subject more interactive. They also explored the importance of their neighbourhood by constructing a Mini Neighbourhood in their classroom, embracing a hands-on learning approach.

In English, students revisited singular and plural concepts through a fun activity and played a game to sort countable and uncountable nouns, enhancing their understanding through play.

In Math, they demonstrated their problem-solving skills with My Robot activity and enjoyed a dice game on addition in the Math lab, making the concept of addition enjoyable and interactive.

The value of the month was Responsibility. Throughout the month, we discussed what it means to be responsible as students and children. Students created responsibility posters, highlighting how they can demonstrate responsibility in their daily lives.

We are thrilled to announce the outstanding achievements of our students at the recent 2nd Inter Invitation Championship held at Buddha International School, Gurgaon. Congratulations to the winners:

Rishaan Vij (Grade 2-A): Bronze Medal in Quad

Ayansh Jogwani (Grade 2-B): Silver Medal in Adjustable

Muskan (Grade 2-C): Gold Medal in Adjustable

Annika Singh (Grade 2-C): Gold Medal in Inline

Additionally, in the athletic category, **Bryan Sen** (Grade 2-A) won the gold medal in the 100-meter race in the 1st Inter- Invitational Athletics Meet at Buddha International School.

We are incredibly proud of our students' hard work and dedication. Well done to all the participants and winners!
