

IMPERIAL HERITAGE SCHOOL, SECTOR-102, GURUGRAM
MONTHLY PLANNER FOR OCTOBER
NURSERY (2024-25)

October is a month of inspiration and blessings.

Dear Parents,
Greetings!

We warmly welcome the month of October as it ushers in a season filled with happiness, celebration, and blessings. This vibrant month brings a delightful change in scenery with colorful fall leaves that transform the landscape into a canvas of reds, oranges, and yellows. October is a time of joyful celebrations, from Halloween fun with costumes and candy to festive activities and family gatherings.

September was a special month for our little ones as they celebrated Grandparents Day with a delightful UTSAV celebration. The children showcased their creativity and appreciation through a beautiful Krishna Katha performance, dedicated to their beloved grandparents. They also crafted handmade cards, involving coloring, paper crumpling, and pasting activities, adding a personal touch to their gifts. The event was filled with joy and meaningful moments, as the little ones honored their grandparents with a memorable and heartfelt tribute.

On the academic front, students participated in a range of enriching activities aimed at teaching letters Yy, Kk, Zz, and Mm, as well as numbers 6 and 7 and the shape of a rectangle. They engaged in tracing and writing exercises to master the letters and played interactive games to enhance their letter recognition. Counting activities focused on numbers 6 and 7 while drawing and craft activities helped them explore and understand the concept of a rectangle. These varied approaches made the learning experience both engaging and educational, allowing students to grasp new ideas in a fun and effective way.

The value of the month was hard work, and students embraced this lesson by arranging their materials and setting up their classroom independently. They took responsibility for keeping everything in its proper place, demonstrating their understanding of the importance of effort and organization. This hands-on approach reinforced their learning and helped them develop a strong sense of responsibility and pride in their classroom environment.

Celebrating Colour Burst, our little ones had a wonderful time creating purple by mixing red, blue, and white. They crafted purple jellyfish using paper plates and stripes, adding a fun, hands-on element to their learning. Additionally, they explored and learned about various purple objects, enriching their understanding of colors engagingly and creatively.

World First Aid Day, celebrated on September 14th, provided a valuable learning opportunity for our little ones. They were introduced to the basics of first aid, gaining essential knowledge about how to handle simple emergencies. The school nurse demonstrated various basic first aid equipment, which the children had the chance to see and use. This hands-on experience helped them understand the importance of first aid and how to respond to minor injuries with confidence.

World Clean Up Day, celebrated on September 20th, provided an excellent opportunity for our kids to learn about cleanliness and the importance of keeping our surroundings tidy. The children were educated on how to maintain a clean environment and the benefits of proper waste management. To reinforce these lessons, they engaged in a fun craft activity, making brooms out of paper cutouts. This hands-on project helped them understand the role of cleaning tools and encouraged them to take pride in keeping their spaces clean and organized.

The theme of the month was animals, and the children explored various types including land, wild, and water animals. As part of their learning, they created a lion using their footprints, turning a fun craft activity into a memorable educational experience. This hands-on project not only reinforced their understanding of different animal categories but also engaged them in a creative and interactive way.

Syllabus for the month of October

Phonic Song

<https://youtu.be/QjfdFRChE0w?si=juBIRT2MbEyO3O5y>

Story:

Magic pot

<https://youtu.be/KHzJVnY2egA?si=FsUJ8oXatKL9Hho3>

Rhymes/ Music

Ek hue the Raja Ram

Aai Diwali Aai Diwali re

English

Recapitulation of letters- Ll ,Ii,Tt,
Hh, Ee ,Ff, Nn,Vv,Ww ,Xx Yy,
Kk, Zz and Mm

Introduction of letters-
Aa,Cc,Gg,and Oo

Sight words
is,am,are

EVS

**Theme of the Month-
Festivals**

Religious and National

Numeracy

Oral rote counting 1 to 20

Recapitulation of 1 to 7

Introduction of number 8

Pre number concept-

Tall-Short

Shape- Star
