MONTHLY PLANNER FOR SEPTEMBER
GRADE II (2024-2025)

"A little progress each day adds up to big results"

— Satya Nani

Dear Parents,

Greetings!

August has been a wonderful and exciting month for our second graders! Here's a look back at all the fun activities and learning experiences we enjoyed:

This month, students prepared a Class Presentation on Flora and Fauna for their parents to showcase how they learn different concepts in school. The presentation highlighted their understanding through creative storytelling and activities, offering parents a glimpse into their daily learning experiences and achievements.

During Heritage Week, we celebrated our diverse cultures and traditions. The children shared stories and items from their own heritage, and we enjoyed fun activities that highlighted our cultural richness. An Intra-class Competition was held where students dressed up in various cultural attire and creatively explained the significance of each culture using a collage. This activity promoted cultural awareness and allowed students to express their understanding through visual and verbal presentations.

On the academics front, students engaged in various hands-on activities to enhance their learning. A Math Fun Subtraction Lab activity was conducted, allowing students to explore subtraction concepts through hands-on and interactive exercises. This activity aimed to make learning subtraction enjoyable and to deepen their understanding of mathematical operations.

Students brought plants as part of the EVS chapter on 'More About Plants.' This learning activity allowed them to explore plant characteristics and growth firsthand, enhancing their understanding of plant life and its significance in our environment.

A 'Pronouns Activity' was conducted where students drew pictures and wrote different pronouns related to the picture. This interactive exercise helped reinforce their understanding of pronouns and how they are used in sentences.

This month, Independence Day was celebrated with great enthusiasm. The event featured a flag hoisting ceremony, a motivating speech by the principal and as a part of the value of the month "Pride" students made beautiful tricolour Indian flag batches and wore them with pride during Independence day flag hoisting ceremony,

These activities helped instill a sense of patriotism and creativity among the students. English and Hindi handwriting competition, where students had the opportunity to demonstrate their writing skills in both languages. The competition aimed to enhance their appreciation for neat and legible handwriting while celebrating their bilingual abilities.

On this Rakshabandhan, our students crafted Rakhis with love and pride, for the brave soldiers who protect us, standing strong side by side. Each thread carries our gratitude, respect, and heartfelt care, A symbol of the bond we share, with blessings in every prayer. Thank you, dear soldiers, for keeping us safe on distant shores.

Imperial Heritage School hosted its 4th Annual Inter School Competition, MAADHYAM, on 24th August 2024 where students from over 25 schools across Gurugram participated. The theme was ***Linguistic Bridges to a Sustainable Future***, with all events dedicated to the United Nations Sustainable Development Goals. The students showcased their exceptional skills and talents across a range of competitions, leaving an indelible mark on the event. From fancy dress to poem recitation to dazzling performances in dance, music, and art, the participants exhibited their true mettle. Keeping with the true spirit of healthy competition, the IHS Team only participated and was not part of the judgment, gracefully passing on the position to the next team. Avanya Katoch of II B participated in Event 2- Echoes of the Heart.

August has been a fantastic start to the school year, filled with learning, creativity, and fun. We look forward to continuing this exciting journey together. Thank you for your support and involvement in your child's education.
