

IMPERIAL HERITAGE SCHOOL, SEC-102, GURUGRAM
MONTHLY PLANNER FOR SEPTEMBER
Grade III (2024-2025)

“Educating the mind without educating the heart is no education at all “ : Aristotle

Dear Parents,

Greetings!!

Goodbye August and hello September!

September gets its name from the Latin word *septem*, meaning seven, because it used to be the seventh month of the year under the Roman calendar. It marks the beginning of autumn in the northern hemisphere and the start of spring in the southern. September is also traditionally considered the month that marks transitions between seasons and is often one of the most temperate weather-wise.

A vibrant class presentation on the theme "Incredible India" was conducted, where students creatively correlated the theme with different subjects. They presented their learning with enthusiasm and pride, showcasing India's rich heritage, culture, and diversity. Parents were delighted to witness their children's talent and knowledge and thoroughly enjoyed the presentation. The event was a testament to the student's hard work and dedication. Kudos to the students and teachers for making it a memorable experience!

Imperial Heritage School hosted its 4th Annual Inter School Competition, MAADHYAM, on 24th August 2024 where students from over 25 schools across Gurugram participated. The theme was *Linguistic Bridges to a Sustainable Future*, with all events dedicated to the United Nations Sustainable Development Goals. The students showcased their exceptional skills and talents across a range of competitions, leaving an indelible mark on the event. From fancy dress to poem recitation to dazzling performances in dance, music, and art, the participants exhibited their true mettle. Keeping with the true spirit of healthy competition, the IHS Team only participated and was not part of the judgment, gracefully passing on the position to the next team. **Laiba Moidu and Kalp Srivastava** of Grade III A participated in Event 3- Creative Canvas.

Congratulations to **Swaraj Gupta and Laiba Moidu** on their outstanding achievement! They represented our school in the Inter-School Competition held at Gurugram Global Heights. We are thrilled to announce that they secured the First Prize! Their hard work and talent have made us proud. Kudos to Swaraj and Laiba on their well-deserved win!

Different activities were organized to celebrate the **Heritage Week**. Students took an active interest and participated in each activity with great enthusiasm and zeal.

- **Cultural food fair-** Students brought dishes representing their home states creating diverse flavors and aromas. They tasted and enjoyed different dishes together. This food sharing made them learn about each other's cultures. It was a fun way to share and care!
- **Cultural dance performance-** Students participated in a vibrant cultural dance performance, showcasing their heritage through energetic moves. They danced to songs that represented their unique cultures, filling

the air with joy and enthusiasm. With every step and spin, they shared a part of themselves, creating an unforgettable experience. Their passion and energy were truly infectious!

Congratulations to the winners!!!

Position/Class	Grade III A	Grade III B	Grade III C
I	Yugansh Jain Nasa, Swaraj Gupta, Kiara Kesharwani, Laiba Moidu	Ahindita Das	Laavya Sikri
II	Ira Sangal, Yosita	Mayra Shivay Chauhan	Riddhi, Shaurya Chauhan, Sparsh Dalmia and Trisha
III	Rachit Singh Adhikari, Shanaya Seth, Kalp Srivastava	Samaira Kaur	Bhavya, Jivisha Singh and Nakshita Chandan

- **Project Veer Katha-** Students showcased their artistic skills by creating inspiring drawings of Gallantry Award winners. With colors and creativity, they brought to life the stories of bravery and selflessness. A wonderful tribute to the real-life champions!
- **Handwriting Competition-** A handwriting competition was held, where students showcased their best handwriting skills. Participants demonstrated their attention to detail and creativity through their writing. Congratulations to all participants and winners!

National Space Day highlights the significance of space exploration and inspires curiosity about the universe. This year, the day was celebrated with a dynamic workshop where students delved into the wonders of space. They engaged in hands-on activities that brought the subject to life, with the rocket landing simulation being a particular favorite. The event provided an enjoyable and educational experience, sparking excitement about space science among the students.

Our Grade III C students presented an energetic assembly to mark **National Sports Day**. They shared interesting facts about the day and performed a skit highlighting the importance of outdoor games in our lives. The skit showcased values like teamwork, discipline, and perseverance, inspiring us all. The students also paid tribute to the legendary hockey player, Major Dhyan Chand, remembering his achievements and contributions to Indian sports.

This month, we focused on the value of **Pride!** Through engaging videos and discussions, students gained a deeper understanding of what pride means and how it can positively impact our lives. To reinforce their learning, they participated in activities like "I feel pride when I...", where they shared personal experiences and reflections. In addition to this, students were given a prompt "I am proud of my nation because..." and asked to write down things they are proud of about their country. This could be anything from its history, culture, achievements, or contributions to the world. This activity helped students to develop a sense of national pride and identity, and to appreciate the accomplishments and values of their country. It also encouraged students to think critically about what makes their nation unique and special.

The students celebrated Raksha Bandhan with great enthusiasm by creating colorful rakhis and exchanging them with their friends, following all the traditional rituals. They also took the initiative to make special rakhis for our Indian soldiers, honoring their bravery and dedication. This activity not only allowed the kids to express their creativity but also instilled a sense of patriotism and respect for those who protect our nation.

Children also did a lot of hands-on activities in different subjects to understand various concepts which were introduced to them. In **English** to enhance understanding of pronouns, an engaging activity called 'Pronoun Power' was conducted. Students created headbands and wrote various examples of pronouns on them. This creative and interactive approach made learning about pronouns enjoyable and effective, with students thoroughly enjoying the fun, hands-on experience."

In **E.V.S**, in our recent activities related to the chapter Leaves around us the students embarked on an outdoor adventure, exploring various types of leaves on the school grounds. They brought their discoveries back to the classroom, where they engaged in leaf graphing by placing the leaves on paper, tracing their outlines, and labeling the different parts. Their creativity flourished as they used the leaves to craft imaginative insect designs. Then in another chapter Animals- Our Friends students sorted different kinds of animals into categories, learning about their characteristics and habitats. Working together in teams, they then created vibrant collages that showcased the diversity of these animals. The collaborative activity not only deepened their understanding of the animal kingdom but also encouraged teamwork and creativity.

While studying multiplication in **Mathematics**, students participated in an array of activities to visualize and understand the concept. Our young mathematicians embarked on a colorful adventure to master division! In this engaging activity, students paired up to create their very own "Popsicle of Division." Students helped each other understand the division concepts, and the popsicles became a visual representation of their learning. In addition to this, our young learners drew a pizza and learned about fractions in a deliciously fun way.

1. Syllabus of the Month

ENGLISH	HINDI	MATHS	E.V.S	COMPUTER
<p>Course book: Chapter-7 The Lantern and the Fan Chapter-8 The Letter to Grown Ups</p> <p>Literature: Chapter-5 Love</p> <p>Grammar: Chapter-11 a,an,the Chapter-8 Adjectives Chapter-9 Degrees of Comparison</p>	<p>रंगोली - पाठ - 7 मीतू की प्रतिज्ञा पुनरावृत्ति</p> <p>व्याकरण - पाठ - 8 सर्वनाम , पाठ - 10 क्रिया</p>	<p>Chapter-6 Length</p>	<p>Chapter-9 Birds Around Us Chapter-10 Our Food</p>	<p>Chapter-5 Formatting a Document</p>

2. Activities of the Month

- **International Literacy Day**
Making Flashcards for Pre Primary
- PTM
- **First Aid Day**
