

IMPERIAL HERITAGE SCHOOL, SEC-102, GURUGRAM
MONTHLY PLANNER FOR AUGUST
GRADE V (2024-2025)

The most certain way to succeed is always to try just one more time." —Thomas Edison

Dear Parents

Greetings!

September brings with it a sense of vibrancy and pride as we bid farewell to August and welcome new opportunities and experiences with open arms.

The month of August proved very fruitful as Grade V A presented a very thought provoking assembly on the topic 'Hiroshima Day' followed by the **Heritage Week**. The school organized engaging activities for the students to learn about the diverse culture and traditions of our country. They brought delicious dishes from their states fostering a spirit of unity and sharing among classmates at the **Cultural Food Fair** that was conducted on 8th August, 2024 in their respective classes during the lunch break.

Just like food, dance and music also possess a universal language that speaks volumes about the culture and tradition of a place. The **Cultural Performance Intra Class Solo Competition**, held on August 12, 2024, provided a vibrant platform for students to showcase the diverse music and dance forms of various Indian states. With zeal and enthusiasm, students danced onto their selected songs, mesmerizing the audience with their foot-tapping performances. This exhilarating experience proved to be a refreshing escape for both students and teachers after the exams, fostering a stronger bond among them.

RESULT OF INTRA CLASS COMPETITION
Cultural Solo Dance Performance

Position	V A	V B
I	Aradhya Das, Arissa Srivastava	Parakh Rajput
II	Nayonika, Pranjhana, Ridhima	Riyanshi Bhada
III	Ananya Ravesh, Priyanshi, Soumya	Archi Agarwal, Vihaan Srivastava

In continuation with **Heritage Week**, the final activity, Project Veer Gatha, proved to be the most highly anticipated event. Students were eager to share their findings about Gallantry Award winners with their peers and their excitement was immeasurable. They enthusiastically shared the remarkable achievements of awardees like Veer Chakra recipient Vikram Batra and the first woman who received the award, Mitali Madhumita etc, showcasing their admiration for these heroes. Students all along with the above activity inculcated the values of **Pride** as the theme of the Month and patriotism. The project made them learn that **Pride** is not a feeling but a responsibility that comes with being a part of the nation.

In addition to these activities, students also benefited from in-depth subjective discussions and gained a deeper conceptual understanding. By staying engaged in the regular school routine, they remained well-rounded and refreshed in all aspects, fostering a balanced growth experience.

While learning about **Different Types of Sentences in English**, students rummaged through their photographs and selected four pictures that expressed four different types of sentences. A few of them also drew illustrations which depicted the same. The concept was recapitulated through video and interactive activities.

Engaging activities made the learning fun and interesting for the students, leading to clarity of the topic.

In **Science**, students learnt about different **types of rocks** through a group activity where each group prepared a poster and gave a presentation about that particular type of Rock (stating its formation, types and uses).

In **Social Science**, students created an informative and visually appealing theme board showcasing the traditional practices used in Manipur to preserve forests. The board highlighted various indigenous methods, such as community-led forest management, sacred groves, and traditional agricultural practices that help maintain the ecological balance. The students illustrated how these age-old customs not only protect the environment but also strengthen the bond between the community and nature. They even pledged to protect forests.

In **Hindi**, students made and presented beautiful pictures of Lord Jaganath on an A4 size sheet and shared their insights about the same. The activity was based on the chapter- Rathyatra and aimed to make the students aware of the culture and traditions of our country. The students' enthusiasm knew no bounds while they were presenting and it was a highly engaging and exciting activity overall.

In order to foster national unity and raise awareness about the significance of the national flag, the school organized a '**Har Ghar Tiranga**' campaign, coinciding with the celebration of Indian Independence. This initiative aimed to promote patriotism and pride among students for our nation's symbol of freedom.

As 23rd August holds a special place in India's space history as it marks the launch of Chandrayan-III, our students learned about its mission, objectives, significance and the achievements of the ISRO through a fascinating module shown to the students. The very day aimed to inspire and educate the students about the wonders of space and the contribution of our country. To make the celebration even more engaging, a workshop was organized by Space Technology and Education Pvt Ltd. Students thoroughly enjoyed the interactive session, hands-on activities and exciting demonstrations. The workshop finally culminated with a thrilling rocket launching activity.

Imperial Heritage School hosted its 4th Annual Inter School Competition, MAADHYAM, on 24th August 2024 where students from over 25 schools across Gurugram participated. The theme was *Linguistic Bridges to a Sustainable Future*, with all events dedicated to the United Nations Sustainable Development Goals. The students showcased their exceptional skills and talents across a range of competitions, leaving an indelible mark on the event. From fancy dress to poem recitation to dazzling performances in dance, music, and art, the participants exhibited their true mettle. Keeping with the true spirit of healthy competition, the IHS Team only participated and was not part of the judgment, gracefully passing on the position to the next team. **Nishtha** of VB participated in INTER SCHOOL DANCE COMPETITION MADHYAM (CHOREOGRAPHED CHRONICLES) while addressing the theme 'The Voice of Earth.' She performed very enthusiastically and proved herself as a source of inspiration for others.

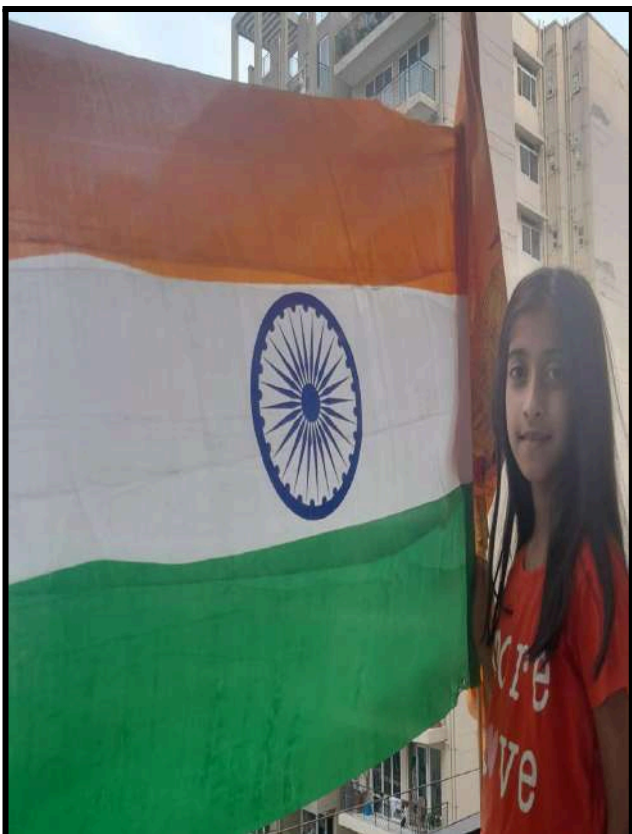

Students had also got the chance to participate in the **Inter School Competition, XAVENIUM, CREATIVE CATALYST (ADVERTISEMENT) on Seven Wonders of the Underwater World** on 3rd August 24 that was held at St. Xavier's School, Sec49. The names of the following students are: **Ridhima, Devang Suri of VA and Kunal, Reyanshi, Shreyanshi of VB.**

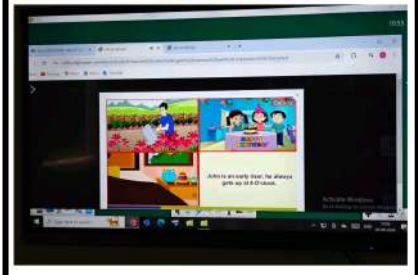

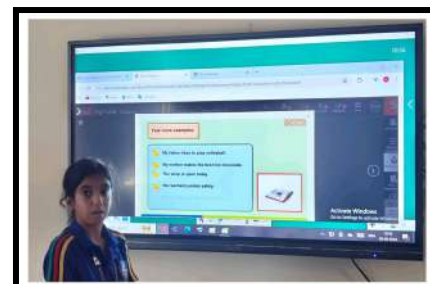

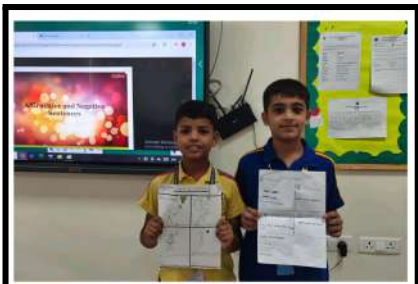

Aradhya Das of class VA also participated in the **Inter House Door Decoration Competition** based on **Story Telling** and she bagged the 1st position.

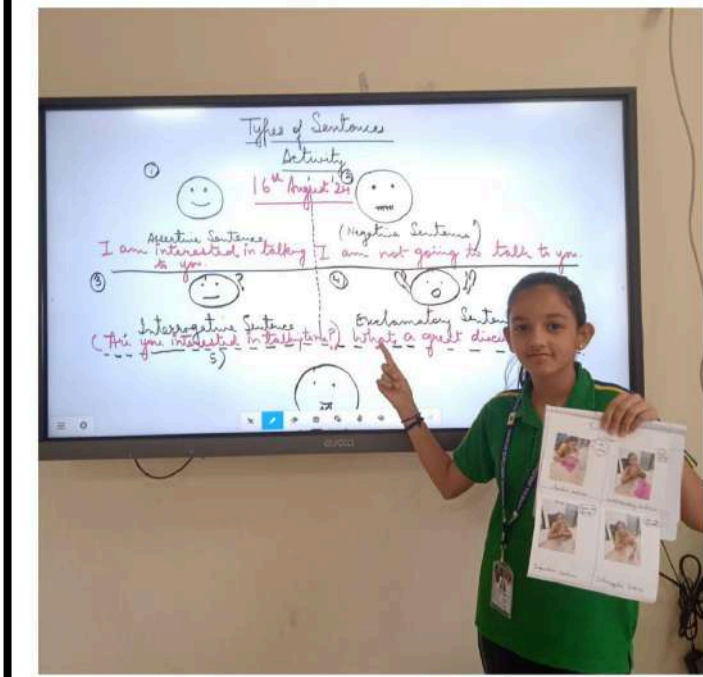

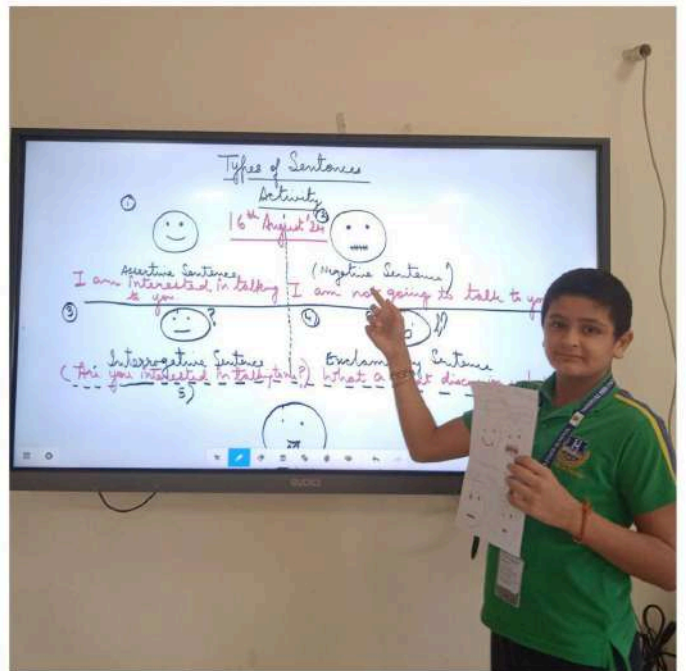

And last but not the least, the National Sports Day which was celebrated with much gusto on 29th August 24 dedicated to promote sports and physical fitness across the school.

The school organised various sports activities in the school premises to celebrate the legacy of Major Dhyan Chand, the Wizard of hockey whose skills and achievements continue to motivate and inspire students to lead a healthy and active lifestyle.
