

**IMPERIAL HERITAGE SCHOOL, SECTOR-102, GURUGRAM**

**MONTHLY PLANNER FOR SEPTEMBER**

**LKG (2024-25)**

**"The beautiful thing about learning is that no one can take it away from you."**

**—B.B. King**

Dear Parents,

September is a significant month in India, marking the transition from the monsoon season to autumn. This period is vital for agriculture, as farmers prepare to harvest Kharif crops and begin sowing Rabi crops. Culturally, the month is vibrant with major festivals like Ganesh Chaturthi and Onam, fostering community bonds and celebrating traditions.

The month of August was filled with excitement, learning, patriotism, and celebrations, as our students jumped into various engaging activities. The month also played host to events like Theme Assembly, Heritage Week, and Maadhyam, our annual inter-school event.

In Literacy, the students focused on learning new letters and their corresponding sounds. Through engaging activities, they practised identifying and pronouncing these letters, which laid a strong foundation for their reading and writing skills. In Numeracy, the students delved into the concept of tens and ones. They learned to quantify numbers, understanding how digits are grouped into tens and ones to form larger numbers. Hands-on activities, such as using an abacus, allowed them to visually and tangibly explore this concept, making abstract ideas more concrete and easier to grasp. In **EVS**, the focus was on the theme of **Food**. The students learned about the importance of food in keeping our bodies healthy and strong. Through various hands-on activities, they explored the differences between healthy and junk food and sorted food items into categories. They also discussed the nutritional benefits of fruits, vegetables, and whole grains, and understood why foods high in sugar and fat should be consumed in moderation.

The Theme Assembly provided a platform for students to express their thoughts and ideas around the chosen theme- Plants. During the assembly, they participated in various activities like skits, songs, and speeches that highlighted important information about plants and laid special emphasis on the germination process. It was an opportunity for them to build confidence, improve public speaking skills, and foster a sense of community and teamwork.

Friendship Day is a special occasion for children to celebrate the bonds of friendship. Our students made beautiful friendship bands as a symbol of their affection and camaraderie. Through this craft activity, the children not only showcased their creativity but also learned the value of friendship, sharing, and kindness. They exchanged these bands with their friends, strengthening their connections and creating a joyful atmosphere in the classroom.

In celebration of our national pride, the students participated in a Tri Colour Flower Craft activity. Using the colours of the Indian flag—saffron, white, and green—the children crafted beautiful paper flowers. This activity was not only fun, but also educational, as it taught them about the significance of the tricolour and what each colour represents.

Heritage Week was an exciting time where students explored and celebrated India's rich cultural heritage. Throughout the week, various activities were conducted to deepen their understanding of the country's traditions, history, and national pride. As part of Heritage Week, the children created Tri Colour Mosaics. They used small pieces of coloured paper to assemble mosaics representing the Indian flag. This hands-on activity was both engaging and educational, allowing students to practise fine motor skills while learning about the national flag's significance.

The Heritage Quiz was an intra-class competition that tested students' knowledge of India's heritage, including its history, culture, and national symbols. This quiz encouraged the children to learn more about their country and developed their competitive spirit in a fun and informative way.

### **Congratulations!!!!**

#### **Winners Of Intra Class Heritage Quiz Competition!!!**

<b>Position</b>	<b>LKG-A</b>	<b>LKG -B</b>
<b>I</b>	Tanishka, Mahir Janghu, Aayra Arora and Sanyukt Verma	Aarav Sharma, Rishika Sharma, Prakrit Sharma and Avira Talwar
<b>II</b>	Devansh, Saaraya Maiti, Aayushmaan Chugh	Nivaan Chouhaan, Anirudh H. Niyati Suri and Khsitij Mahendia
<b>III</b>	Bhumanyu Sharma, Saavi Joshi, Nitya Suri and Anaya	Shivansh, Ronan R. Chand and Yoksh Malik

In the I am a National Leader competition, students took on the roles of famous Indian leaders. They dressed up as leaders like Mahatma Gandhi, Jawaharlal Nehru, or Rani Lakshmibai, and spoke about their contributions to the nation. This activity helped students build confidence in public speaking and deepened their appreciation for India's history.

### **Congratulations!!!!**

#### **Winners Of Intra Class Fancy Dress Competition!!!**

<b>POSITION</b>	<b>LKG A</b>	<b>LKG B</b>
<b>I</b>	Devansh	Yoksh Malik

II	Nitya Suri	Aarav Sharma
III	Aayra Arora	Ronan R. Chand

For the Har Ghar Tiranga activity, students were encouraged to participate at home by displaying the Indian flag. This activity fostered a sense of patriotism and unity as families across the country participated in this national campaign. The students were excited to share photos and stories of their flags during class.

To celebrate Rakshabandhan, students created beautiful rakhis, a symbol of the bond between brothers and sisters. This craft activity allowed the children to express their love and care for their siblings while learning about the cultural significance of this festival. Students also made special rakhis for our soldiers at the border, sending them a message of respect and love.

For Janmashtami, students engaged in a Matki Making craft activity. They created colourful clay pots (matkis) that are traditionally associated with Lord Krishna. This activity was not only creative but also helped the children learn about the significance of Janmashtami and the story of Lord Krishna.

In the Spices from the Kitchen show and tell competition, students brought different spices from their homes and presented them to the class. They discussed the spices' used in cooking, their origins, and their health benefits. This activity was a fun way to integrate learning about food, culture, and science, while also improving public speaking skills. The Seeds on My Plate Mosaic Theme Activity involved students using various seeds to create beautiful mosaics on paper plates. This creative activity taught them about different types of seeds and their importance in our diet. It also provided an opportunity to discuss healthy eating habits and the origins of the food we eat.

Post independence week, our kids had an exciting time learning during the CBSE activity for National Science Day by learning a little about space and Chandrayaan 3. It was interesting to see some students so excited about the fascinating world of space exploration.

Imperial Heritage School hosted its 4th Annual Inter School Competition, MAADHYAM, on 24th August 2024 where students from over 25 schools across Gurugram participated. The theme was *Linguistic Bridges to a Sustainable Future*, with all events dedicated to the United Nations Sustainable Development Goals. The students showcased their exceptional skills and talents across a range of competitions, leaving an indelible mark on the event. From fancy dress to poem recitation to dazzling performances in dance, music, and art, the participants exhibited their true mettle. Keeping with the true spirit of healthy competition, the IHS Team only participated and was not part of the judgement, gracefully passing on the position to the next team. Niyati Suri and Bhumanyu Sharma participated in Event 1- Marine Magic: An Undersea Fancy Dress.

### Syllabus for the month of September

#### English

Introduction of letters with their sounds  
Nn, Oo, Pp and Qq.
