

IMPERIAL HERITAGE SCHOOL, SECTOR-102, GURUGRAM
MONTHLY PLANNER FOR SEPTEMBER
NURSERY (2024-25)

"Early childhood education is the key to the betterment of society."

— Maria Montessori

Dear Parents,
Greetings!

We welcome the month of September as it marks a transition from the intense monsoon rains to the onset of a more temperate and welcoming autumn. The air carries a hint of coolness, and the landscape begins to glow with the last remnants of the rainy season's lush greenery. Festive anticipation builds as the month brings with it the joy of upcoming celebrations, infusing the atmosphere with a sense of renewal, togetherness, and cultural vibrancy.

August was an action packed month with Heritage Week celebrations, Theme Assembly and hosting our annual Inter school event- Maadhyam. Students were engaged in academic activities and experiential learning as they participated in various activities to understand various concepts.

On the academic front, students participated in a range of enriching activities designed to teach them letters Nn, Vv, Ww, and Xx, as well as numbers 4 and 5 and the shape of a square. They engaged in tracing and writing exercises to master the letters, played interactive games to enhance letter recognition, and practiced counting with the numbers 4 and 5. They explored the concept of a square through drawing and craft activities, making the learning experience both engaging and educational.

Heritage Week was an enriching experience for our young learners. The little ones crafted jet aircraft using paper cutouts, gaining hands-on experience with their creative projects. They also brought in foods from their respective states to celebrate and learn about diversity. They enthusiastically participated in the *I Am a Leader Interclass Competition*, showcasing their leadership skills and fostering a sense of pride and accomplishment.

Parents were invited to watch their wards perform in the Class Theme Assembly on the topic- Food, where the young ones spoke very confidently and shared information on different types of food, also speaking about parts of a plant. They spoke their lines about the theme of plants with remarkable confidence, showcasing their dedication and excitement. It was absolutely thrilling for the parents to see the dance around the theme and the confidence that each child displayed. Their collective effort made the event truly memorable and heartwarming.

The value of the month was pride, and students immersed themselves in this theme by learning the patriotic song Sare Jahan Se Achha and performing a dance to Nanha Munna Rahi Hoon. Through these activities, they not only enjoyed a musical and rhythmic experience but also developed a deeper sense of respect and pride in their nation.

Celebrating Colour Burst, the students combined the tri colour with patriotism and enthusiastically embraced the spirit of the celebration by donning vibrant tri-colour outfits, showcasing their patriotic pride. They further expressed their creativity by crafting tri-colour soldiers using paper rolls, transforming simple materials into meaningful art. This engaging activity not only allowed them to learn about their national symbols in a hands-on manner but also provided a fun and educational experience that highlighted the importance of cultural and national identity.

Our little ones were overjoyed to celebrate Friendship Day, and they embraced the occasion with creativity by making adorable teddy bears out of sponge for their friends. This thoughtful craft allowed them to express their affection and share a personalized touch with their peers, turning a simple day of celebration into a memorable and heartfelt experience for everyone involved.

They also crafted beautiful Rakshabandhan cards using paper cutouts, adding a special touch to the celebration. These handmade cards were filled with vibrant colors and intricate designs, making each one a unique and meaningful gesture for their loved ones. Students also made special rakhis for our soldiers at the border, sending them a message of respect and love.

They enjoyed the story of Lord Krishna and expressed their creativity by making adorable flutes using paper cutouts, pom-poms, and mirrors. Their craft not only reflected their enthusiasm for the story but also resulted in charming and imaginative creations that captured the essence of Krishna's playful spirit.

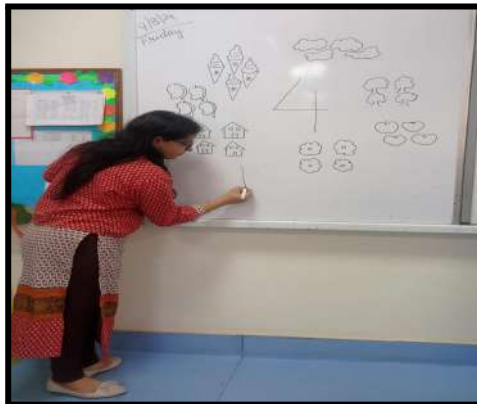

Post independence week, our kids had an exciting time learning during the CBSE activity for National Science Day by learning a little about space and Chandrayan 3. It was interesting to see some students so excited about the fascinating world of space exploration.

Imperial Heritage School hosted its 4th Annual Inter School Competition, MAADHYAM, on 24th August 2024 where students from over 25 schools across Gurugram participated. The theme was *Linguistic Bridges to a Sustainable Future*, with all events dedicated to the United Nations Sustainable Development Goals. The students showcased their exceptional skills and talents across a range of competitions, leaving an indelible mark on the event. From fancy dress to poem recitation to dazzling performances in dance, music, and art, the participants exhibited their true mettle. Keeping with the true spirit of healthy competition, the IHS Team only participated and was not part of the judgement, gracefully passing on the position to the next team. Arshita and Siya participated in Event 1- Marine Magic: An Undersea Fancy Dress.

Winners of I am a leader Intra Class Competition

Position	Nursery
I	Avyukt Kesarwani /Misha
II	Abhyuday Barak/ Siya Sharma
III	Shivakar Shrivastava

Syllabus for the month of September

Phonic Song

<https://youtu.be/pgOIWfUaSI>

Story:

The Enormous Turnip

https://youtu.be/fklwF_V44fU

Rhymes/ Music

Chi chi I am a lovely bird

Ek mota haathi

English

Recapitulation of letters- Ll ,Ii,Tt, Hh, Ee ,Ff, Nn,Vv,Ww and Xx
